

THE RADIANT BRIDE . . . This beautiful wedding gown of Chantilly lace features all the new lines in fashion for the 1960 bride. It is one of many to be shown at the Broadway Del Amo next Saturday. All prospective brides are especially invited to attend the show.

Bridal Show Slated At Broadway on Saturday

Brides are getting the red carpet treatment at The Broadway Del Amo. A fashion show especially for brides and the wedding party will be held Saturday, Feb. 27, at 2 p.m. in the Regency Room. A beautiful wedding gown will be given away at the show. Prospective brides must register for it at the time of the show, and be present at the drawing, to be eligible. Of course, anyone interested in the fashion show is invited to attend.

The entire store is really bridal-conscious right now. The windows are beautifully decorated and feature wedding fashions, trousseau items, gifts for the bride, all with a fanciful

white dove motif. The white doves may also be found throughout the store, where many special displays have been arranged, calling attention to everything that bride might need or want, both for her wedding, and for living "happily ever after."

Special services The Broadway offers a bride include: a free Bride's Book, which tells everything a bride needs to know about correct wedding etiquette, customs and clothing, as well as a very helpful wedding timetable; a bridal registry, where gift preferences are listed; and if the bride is wearing "something old, something new, something borrowed, something blue," The Broadway has a free gift that will be very welcome. If you're a prospective bride, better make The Broadway your store.

Y-Teen Class For Officers

Long Beach Young Women's Christian Association building was the scene of an all day officers' training program for officers of senior high Y-Teen clubs from the Harbor Area Association.

Carol Nyholm, program director, was the keynote speaker. She told of her trip through Europe and the importance of the YWCA in the world today, and the work done throughout the world through the YWCA World Fellowship program.

Group training was held for presidents by Mrs. Mary Ecklund; vice-president, Jeannette Patchin; secretaries, Mrs. Nina Haddock; treasurers, Mrs. Bernice Snow; chaplains, Mrs. Thelma Kaempfer, and publicity, Mrs. Muriel Blackstone.

Following lunch, club problems were discussed in three workshops with Mmes. Haddock and Snow and Virginia Burton assisting.

At the close of the afternoon the girls had an opportunity to play volleyball or to swim.

Refreshments were served before the group boarded the chartered bus for the trip home.
