The Eleventh Frame

By DONNA BARKDULL

Bob Nugent has been tearing Bowl-O-Drome wood apart lately. On the heels of his giant 732 set in the Thursday night Shell Scratch loop, he posted a 704 in the Drome's Friday night 900 scratch, as he went through the night's action with second place, Vurps Cafe. Al Varottie, the X-Ello Shade mob, is listed as the one to beat for individual game honors, after rolling a 279 single. Pacific Athletic is still in the number one slot, holding on to a 2½ game margin over the Verp's quintet. X-Ello Shade Co. is in third, ½ out of first, followed by United Plumbing & Heating.

Night Lighting At El Retiro Tennis Courts?

Possibility of night lighting at the El Retiro Park tennis courts was made recently when the Torrance Park and Recreation Commission recommended the improvement to the City Council.

Also, the commission has affirmed the recommendation of the Recreation Director that the park's tennis court rules be changed, giving youth equal priority for use of the courts with adults. "The old rules gave priority to adults and it was felt, in view of the growing teenage population, that the rule was unfair," Commission Chairman Pro Tem Lawrence A. Gitschier says.

Team No. 4, Torrance Elks and Dottie's Grill.

SATURDAY night's Jack and Jill League heads into the last lap of its winter session with Team No. 7 away out in front of the "A" Division. Glen's Barber Shop is 9½ behind, and the Crazy-Kats are in third, trailed by Team No. 8, Pacific Window Prod. and Prod. Serv. Co.

J. Merchant, representing Team No. 1, tied three together for the men's individual season series high, 628-60-688, as Lolly Holtz recorded the female high with her impressive 555 & 84-639 package. J. Keener chalked up a powerful 254&18-272, copping the individual high game lime-light, while J. Deinort cut loose with the gals topper, an impressive 224&28-252.

AL SENTI, Chevron leads the pack in the "B" Division by a slim ½ game over Baier Decorators. The Four Splits ride in third, three games back of the leaders, followed by the Shakey Four, 4 Jokers, Downing Automotive and the Fusing Four. W. Feldbusch racked up a blistering 632&30-662 three game effort to take over the top slot for the men's individual season series awards as H. Ross, rolling with the 4 Splits, produced the female high with her 521&111-632 set. P. Nevel, Paul's Shell Service kegler, single pitch, a towering 242&11-253 as Fusing Four whipped up the men's high hurler, L. Harris, chalked up the gals high with her nifty 214&36-250 effort.

Mudersbach, Ivo Duel Today at LADS Drag Strip

A major "Leap Year at LADS" drag meet, with the special lure of a \$1000 War Bond for the top eliminator, has been announced for the big Long Beach strip of Lions Associated this afternoon.

Mickey Thompson, director of the 223rd St. blacktop and himself America's king of speed over land, said that more than 20 of the hottest gas-dragsters of the land will be in a field to exceed 350 vehicles. In the array will be two Southland drivers who now hold the world's two recognized gas-dragster records. Strangely enough they were set on different strips the same day, Feb. 7.

One is Alley (Lefty) Mudersbach, who toled a twin-engine Chevy dragster for a 166.66-m.p.h. top speed on the LADS strip.

The other, TV actor Tommy Ivo of Burbank, drove his Buick-powered four-wheeler to top eliminator honors at Pomona, in a record 8.95 seconds for the 1320 feet. It was the first time a gas-dragster had officially gone the route under nine seconds.
