

RICHARD L. GLENDON
... Here Next Week

Special Lecture On Christian Science Slated

The healing and saving power of scientific prayer will be the topic of a lecture on Christian Science to be given here Thursday, March 10th by Richard L. Glendon of Los Angeles.

Open to the public without charge, the lecture will be sponsored by the members of First Church of Christ, Scientist, Torrance.

Glendon will speak in the church edifice, 218th Street and Manuel Ave., at 8 p.m. His subject will be "Christian Science: The Healing Comforter."

Now on a nationwide tour as a member of The Christian Science Board of Lectureship, Glendon was a moderator recently on several television programs in the series "How Christian Science Heals."

A native of Denver, Colo., he became interested in Christian Science as a boy. He withdrew from business in 1934 to devote his full time to the public practice of Christian Science healing. During World War II, he was active as a Christian Science Wartime Minister.

CAMPING PROGRAM OUTLINED

An explanation of the city's progressive camping program whereby Torrance youngsters can move up through a traveling day schedule to an eight-day overnight camping trip in the mountains is being published this month in the nationally distributed magazine called "Recreation."

Written by Diane Link, a recreation leader in the Torrance Recreation Department, the article tells of the final phase of a three-step camping program which was realized last summer when an eight-day camping session was held at Big Bear Lake.

THE FIRST step outlined by Miss Link was the two-hour training sessions in camping fundamentals provided by the traveling day camp.

Craft display boards, survival techniques, nature games, and other elementary camping matters are provided.

A REGULAR day camp marked the second phase of the program, and more advanced camping skills were taught. The day camp sessions ran from 10 a.m. until 4 p.m. from Tuesday through Saturday except that a Friday overnight camp provided an opportunity to try out newly acquired camping skills.

The final phase is the eight-day mountain outing, giving the young campers an opportunity to put their newly acquired skills to use.

Vestrymen Installed at St. Andrew's

Wardens and vestrymen of St. Andrew's Episcopal Church were installed at a special dedication rite during the 9:15 morning worship service last Sunday.

The Rev. Fr. Hugh R. Percy, rector of St. Andrew's, installed Robert Sleeth as senior warden, and David Attridge as junior warden along with the vestrymen and other church officers.

Special Lenten services opened at the church last evening and will continue each Wednesday through Easter. One family dinner meeting is scheduled during the season, Father Percy said.
