

John Morley to Address Executives Dinner Club

Just back from his 22nd news-beat to the critical areas around-the-world — Moscow, Berlin, Budapest, Middle-East Asia, Far-East — famed correspondent John Morley will address the Executives' Dinner club of the Torrance area next Wednesday, Mar. 9 at San Pedro Hacienda Hotel according to R. S. Pyle, president.

Morley highlighted his dangerous and dramatic experiences around-the-globe, by a secret meeting with Boris Pasternak, famed author of "Dr. Zhivago," who has been under house arrest and forbidden to see anyone by the Kremlin, since the book's release.

After repeatedly being refused permission to see Pasternak by Soviet officials in Moscow, Morley secretly entered the guarded Pasternak residence and scooped the world with the only interview and inside story of the persecution of Russia's greatest living author, who dared to call Marxism, "the greatest fraud of our times", right from inside Russia.

IN HIS TALK, Morley will reveal for the first time the complete hair-raising story of his exploit in foiling the Soviet Secret Police and his talk with Pasternak, part of which is now making headlines in hundreds of newspapers

around-the-world. While he repeatedly sees world personalities such as Khrushchev, Nehru, Chiang Kai-shek, de Gaulle, Tito and others—Morley relies on long established sources of facts among business men, educators, religious leaders, club women, man-of-the-street, to confirm or refute political answers. In recent months he talked with such informants from Moscow to Yalta—Cairo to Beirut—Budapest to Belgrade—Berlin to Bombay—Karachi to Korea—Prague to Formosa.

IN A PRESS preview of his talk, Morley struck a reassuring note: "I have been covering global headlines since 1931—but I have never observed as many prospects for world betterment as I did on this recent trip. Of course I saw areas of crisis—but unfortunately these are better advertised in the news headlines. "In my talk I will prove with eyewitness facts that the prospects of peace are far greater than the prospects of war."

John Morley is the recipient of the Daughters of the American Revolution Award for "Americanism and Journalistic Distinction", and the Los Angeles City Council Award for "Brilliant and Meritorious Reporting."
