

# Mira Costa Relays Open Friday

## Wilson Pitches THS to 3-2 Win

Lefty Ray Wilson pitched six hit baseball Tuesday and his Torrance High teammates rallied for solo runs in the fifth, sixth and seventh innings to dump Mira Costa, 3-2 in a non-league game at Torrance Park.

John Cambon scored the Tartars' winning run in the 7th after drawing a leadoff base on balls, stealing second, advancing to third on the ensuing throwing error, and then scampered home on an error on Rick Hull's batted infield grounder.

Wilson, a junior, went all the way and fanned five. He was nicked for runs in the 3rd and 5th rounds. Torrance, 3-2, went against Leuzinger yesterday and hosts Centennial tomorrow at 3 at Torrance Park.

Coach Irv Kasten has tentatively slated ace Tom Richardson to pitch against the Apaches, depending on the senior southpaw's sore arm.

Tuesday, second baseman Joe Montgomery led the Torrance attack with two hits in three trips to the plate.

**Final Babe Ruth Registration Date Set Saturday**

The Torrance Babe Ruth League will hold its final day of tryouts Saturday at 9 a.m. at Torrance Park. Registration has been extended one week so boys 13-15 years of age desiring to compete in the program have another opportunity to register.

A general meeting on Monday, March 14, at the Steelworkers Hall has been scheduled at 7:30 p.m.

Other returning lettermen are Darian Calhoun, Don LaVoie and Roger Lawson.

Of the relay quartet, Jaeger and Wasson are the only returning lettermen; Jaeger hails from Mira Costa, Wasson is a graduate of Gardena High School. Marsh comes from Morningside High School, while Cox is a graduate of El Segundo High School.

Marsh and Jaeger starred for Southstone last fall on the cross country squad.

Coached by Ray Southstone, the Warrior track squad totals 23 men this season.

## Injury-Riddled EC Baseballers In Tournament

With four regulars sidelined because of injuries, El Camino College dropped a 4-3 non-conference baseball decision to previously winless Orange Coast Tuesday at El Camino.

Coach Chuck Freeman's club saw its season percentage dip to the .500 level, at 4-4 (one tie) in the tune-up to the annual Metropolitan Conference tourney.

TUESDAY, righthander Bob Anderson was tagged with the loss after yielding all four runs before exiting in favor of Ron Colgan in the fifth. Colgan in turn was relieved by Dennis Shaves.

Orange Coast, which came into the game with an 0-4-2 record, scored three times in the first on three hits and shaky defense work by the Warriors. The Pirates scored the clincher in the fourth.

El Camino dented the plate in the first, and twice in the 7th as pinch-hitter Dick Patera rocketed a two-run producing double.

Patera (flu), outfielder Bob Thompson (sprained ankle) first baseman Stan Beard (pulled thigh muscle) and shortstop Art Adams (swollen hand) were nursing injuries Tuesday.

FREEMAN HAS nominated Dave McMillan and Dennis Shaves to share pitching duties in the Metro tourney opener against Bakersfield tomorrow.

Friday afternoon pairings: Santa Monica vs East L.A., at Long Beach.

El Camino vs Bakersfield, at Lakewood High.

Long Beach vs San Diego, at Milliken High.

Harbor vs Valley, at Blair Field.

If the club makes it to the finals, Freeman says that righthander Ron Veres, a Torrance High product, will start on the hill.

Orange .. 300 100 000-4 6 1  
Camino .. 100 000 200-3 2 3

## Andrews Sparks South at Plate In 8-7 Victory

South High survived Compton's five run, seventh inning rally Tuesday to post an 8-7 non-league victory at Spartan Field.

South, after exploding for seven runs in the first two innings, carried an 8-2 lead into the last round but almost blew it as Compton put together three singles, a fielder's choice and a couple of walks before Jeff Hurford fanned the last batter.

The Spartans, 3-2, go against Leuzinger in another non-league tilt tomorrow afternoon.

Eric Spellman (1-0) a freshman righthander, went the first four innings to receive credit for the win.

Shortstop Mike Andrews carried the battling load for the winners, going 3-for-4 and knocking in what proved to be the winning tally in the fifth on an infield error.

Catcher Mike Czarke and second baseman Doug Perry each had two RBIs.

South's four run first inning resulted from two singles, a walk, an error, and two sacrifice flies.

The Spartans chased home three in the second on a walk, a fielder's choice, and three singles.

Compton .. 000 020 5-7 6 2  
South .. 430 010 x-8 8 2

Adkinson, Hernandez (2), Tatum (6), and Sozo, Zazueta (4); Spellman, Worden (5), Hurford (7), and Czarke, De la Porte (5)

HOME RUN POWER . . . North High outfielder Riek Jacobs, who smashed a home run Tuesday against Aviation in 7-3 non-league baseball loss, is shown at plate. Jacobs, a junior leftfielder, staked North to a 1-0 lead with first inning blast. North goes against Lennox this afternoon, and plays both South and Torrance next week. (Herald photo)

## Moose Lodge to Show 'Sports Highlights' Film

"Sports Highlights of 1959," a film story of championship performance in baseball, football, basketball, swimming and bowling will be presented by the Torrance Moose Lodge at the lodge hall, 1744 W. Carson St., Tuesday, March 15th, at 8 p.m.

The fraternal organization is inviting members of the Torrance Babe Ruth League and Boy Scouts and their fathers to attend this second presentation of a Moose lodge "Sports Night."

North High, hoping to shake a two-game losing streak, will send sophomore southpaw Billy Kehoe to the hill against Lennox at 3 p.m. today as the Saxons tune-up for next week's intra-city collisions with South and Torrance.

Tuesday the Saxons were dumped by Aviation, 7-3, despite a towering first inning home-run by leftfielder Rick Jacobs which staked the northers to a brief 1-0 lead.

Aviation, which was defeated by North previously in a tournament game 4-2, rocked

## Saxon '9' Pins Hopes on Kehoe

losing pitcher Dennis Hogue, (2-1) for three runs in the third, and got to Hogue and Larry Dotson for four in the clinching sixth inning.

Two walks and three singles produced the third inning tallies, while only one safety, coupled with two walks, a couple of errors, and two fielders' choices opened the gates for the four-run burst in the 6th.

North outthit Aviation, seven to four.

The Saxons managed four base hits in the last two innings off Aldon Edwards, who succeeded starting Aviation hurler Jim Smith, but could score only one run.

North, which finished second to Serra in the Aviation-El Segundo Tournament, now has a 4-3 record. The Saxons tackle South on Tuesday, and play Torrance on Thursday of next week.

R H E  
North .. 100 001 1-3 7 3

## Torrance, North South Entered

Joe Fan will get an early look at the 1960 prep track and field picture tomorrow night when Santa Monica and Mira Costa, perennial cinder powers, wage their annual duel for the Mira Costa Relays trophy. The varsity field events will get the show rolling at 6:30 in Manhattan Beach.

The feature running events are scheduled to begin at 7:30. Torrance, North, and South, though shooting for several event medals, do not figure to challenge favored Samohi or host Mira Costa, while Hawthorne and Leuzinger rate "darkhorse" possibilities.

CLASS B and C field events get an early jump, starting at 1:30 this afternoon.

Torrance's four-man distance medley (440-880-1320-mile) crew of Tony Bradford, Mike Walker, John Gable, and Mike Thornton is probably the Tartars' best chance to bring home a first place medal.

However, Torrance entrants Gary Huffman and Jerry Ascolesi form a solid nucleus in the high jump with Huffman clearing 6'1" consistently, and Ascolesi, a sophomore, having a 5'10" best.

Other top individual Torrance times or marks should come from Bob Henderson (Bee 660) in the medley, and Bob Kyle, in the class Bee pole vault. Kyle, who actually has a Cee classification, has cleared 11'4".

NORTH TRACK coach Bill Ellings will rely on the varsity 880 relay quartet of Jim Laird, Pat Lininger, Ron Davis, and Bob Moore to rack up points for the Saxons.

Lininger has a 22.8 - 220 clocking this year, but was timed in 22.1 for that distance a year ago. His 10.1 century time is also the school's best.

In addition, North has a top class Cee 440 relay squad, and a 10'6" Cee pole vaulter in Don Fleps.

SOUTH, entered in the relays for the first time, rests its point hopes on the mile relay team of Bill Steinwachs, John Robinson, Jim Perry, and Doug Brown.

The Spartans should also field a top Bee 660 entry with Kenny Motoyasu, John Hamilton, Phil Fish, and Rick DeSpain forming a chief contender.

Santa Monica took the Relays trophy home last year, and is figured by most local coaches to successfully defend its crown.

Score by quarters:

## HOT SPOTS

Bahia de Palmas is our Hot Spot for this week. Where is it? In Mexico, on the very tip of Lower California, 75 miles from La Paz. Four of our local citizens ventured there this past week to enjoy a most wonderful and exciting trip that greatly exceeded their most optimistic expectations. Charles Goodall, Paul Shinoda, Harland Stevens and Jim Giaccolone made up the traveling quartet.

They motored to Tijuana and boarded a plane to La Paz where a taxi picked them up and drove them through jungles, native sections and other exciting places where people live today much as they did 300 years ago. They went through many ghost towns and one that was built in the 16th century.

When they arrived at their destination, they said, they thought they were on an African movie set. Homemade brick buildings covered with thatched roofs abounded in a jungle and waterfront tropical setting. But to their surprise they found hot and cold running water, tiled floors, modern box springs and mattresses and treatment appropriate for royalty.

Fishing was like a fairy tale, the weather beautiful, dreamy and tropical. They caught Yellow Fin Tuna exceeding 50 pounds. Charlie said the fish weren't even civilized because they hit and ran like an express train. The boats had to follow them as if they were marlin. It took him one-hour-fifteen-minutes to land one.

They also caught Yellow Tail weighing up to 50 pounds. What a thrill they must of had Bona was hooked from 18 to 20 pounds, and needlefish that looked like "underfed barracuda." They are long and skinny, usually 2 or 3 inches around and about two-feet long with a head and nose that are needle-pointed. The Sierra Mackerel were huge and gave quite a battle. Lots of Cabrillo, a species of bass that ran up to 25 pounds, were caught. Almost every cast was a fish. They came in at night tired but relaxed and enjoying a tremendous feeling of pleasure. We don't wonder!

This fantastic place is managed by John Mitre, who is a Mexican citizen educated in this country. The complete trip from Torrance, there and back including everything, cost them \$200. Reservations can be made in the resort's North Hollywood office. If any of you are interested, contact us or any of the four who took the trip.

Charlie states that Marlin and Sailfish will move in about May, so that would be an excellent time to go. Jim took many pictures and we will ask him to show them at the local Rod and Gun Club. Anyone interested will be welcome.

We heard of another Hot Spot this week also—Lake Nacimiento. It's out of San Miguel, up the Coast Highway. Fishing is out of this world and well worth the trip. This lake was just opened last year and will be a popular place to go from now on. Water ski enthusiasts will also be glad to know it's open to them.

San Vicente is closed, as of March 6th. Bill Kalbfleish went Saturday and reported that he saw a 13-pound Catfish caught and a nine-pound bass. We will all be looking forward to its opening next year for some more of that good fishing.

In the meantime don't forget about Lake Cachuma. Denry Reddington caught a bass there weighing more than three pounds this past week.

George called from Red's Bait and Tackle to report that 50 fishermen lined the beach Sunday night at Second Street in Hermosa where the perch were really hitting. Ed Crenshaw, from our city, got one three-ouncer from this famous spot.

Don't forget to check your line and see if you might not need new gear for the coming season. In fact check all your gear as we are in for a "Bang-Up" fishing year!

**BETTER-BRAKES...BUICK '60**

**BRAKES HATE HEAT!**  
Buick's fin-cooled Aluminum Drums get rid of heat quicker so you're safer!

Brakes generate their own worst enemy—terrible heat. Excessive heat is bad because it may cause brakes to lose part of their effectiveness. So the faster you can dissipate it, the better off you are.

Buick gets rid of heat faster by using fin-cooled brake drums. On the front wheels, where most of the braking is done, the drums are aluminum. They cost more to make but they shrug off heat much faster than drums made of ordinary metal. Buick is the only American car that makes them standard, at no extra cost, because you will be safer with them.

Best time to buy a Buick '60 is now because you will get top dollar on your old car and have a wide selection of colors and body styles from which to choose. You can own a quality Buick for less than you might think, and your Buick Dealer can arrange terms to suit your budget.
