MEMO
From Your Independent Insurance Agent

*Inure in haste...
Regret in leisure!*

What?

You say I'm not covered?

In these quality-conscious days, few people buy a car or a home solely because it is cheap. Admittedly cost is important... but it is only one of several factors that must be weighed in any decision to buy.

Yet, surprisingly, when it comes to purchasing insurance for their car or home or personal liability, careful people sometimes make hasty, off-hand decisions based on cost alone. The insurance owner must be able to count on his insurance in emergencies. That means just one thing: look for the best protection, not the cheapest insurance. When this vital purpose has been achieved, then... and then only... consider the cost.

Of course, you don't want to spend hours of time studying the merits of different insurance policies. But you don't have to. Your Independent Insurance Agent or broker... a professional insurance man... will do that for you. You can rely on his advice... and on his help if you ever suffer a loss.

You can be sure you have the kinds of insurance you need when you insure through an Independent Insurance Agent. So look for this seal before you buy insurance. Only an Independent Insurance Agent can display it.
