

Officers Complete Course In Basic Law Enforcement

Three Torrance Police officers were among the class which recently completed an intensive fourteen week course in basic law enforcement training at the Los Angeles County Sheriff's Academy.

The officers were: J. Paul Lembke, Warren E. Sible, and John P. Brady.

The cadet program presented at the academy is recognized nationally as one of the most comprehensive and highly

developed programs of instruction and evaluation for training law enforcement personnel. It includes physical fitness, criminal law, marksmanship, self-defense, communications, physical evidence, and numerous fields of law enforcement.

Do all the good you can and make as little fuss as possible. Dickens

Theater Group Issues Call For Director

Help Wanted — A call is being put out by the Footlight Theatre of Torrance for directors.

At the present time the group has two major plays in rehearsal at all times and only one director, Herman Boodman. He believes the theatre group needs the benefit and experience of another director.

In the fall the Footlight Theatre will start doing one-act plays and cuttings. These will be available to groups and clubs in the South Bay Area for presentation as part of their meeting. Another director is needed to direct these.

"Heaven Can Wait," the group's next play is scheduled for the latter part of September and the first part of October. It will again be presented at the Benstead Plunge.

Hey! THAT'S NOT ALL YOU GET!

No, indeed! A great many companies pay out millions of dollars in extras—extras that don't show up on paychecks but which mean security and peace of mind for their employees. For example, here are some of the additional benefits received by men and women at CARBIDE.

- ★ A Group Insurance Plan provides life insurance, as well as sickness and accident and total and permanent disability benefits, for employees. The Company pays half the net cost.
- ★ Hospitalization and surgical benefits are available for employees and eligible dependents. The Company pays half the cost.
- ★ A Vacation Plan provides paid vacations of up to four weeks, depending on length of service.
- ★ A Savings Plan makes it easy for men and women at CARBIDE to save regularly. The Com-

- pany adds 10, 20, or 30 per cent to the amount an employee saves, depending upon whether he has one, two, or three or more years of Company service.
- ★ A Pension Plan provides eligible retired employees with an income for life. The Plan is paid for entirely by the Company.
- ★ A Retirement Plan, available to most employees, provides additional income after retirement, and for eligible beneficiaries in case of death. The Company pays most of the cost.
