

46th District Demo Base Will Be Open Today

Official opening of Democratic Headquarters for the Southern part of the 46th Assembly District will take place today at 7 p.m., according to Charles P. Sohner, candidate for the Assembly. The headquarters is located at 106 South Pacific Ave., Redondo Beach.

Sharing the spotlight with Sohner as guest of honor will be Edward Edwards, Hermosa Beach businessman and former mayor of that city. Edwards, who was Sohner's primary opponent, has announced his support of Sohner in the general election, thus closing party ranks for the fall campaign.

Party officials who will attend the opening ceremonies include Alfred Eachus of Rolling Hills and Mrs. Trudy Owens of Palos Verdes Estates, 17th Congressional District Co-Chairmen, state and county committee members, and club officers.

Drive Begins To Register All Voters

Registration headquarters for the 68th Assembly District will be open beginning today from 9 a.m. to 9 p.m. at 1953 Pacific Coast Hwy., Lomita. The office is to be staffed at all times with a registrar of voters.

Other registrars will be placed in banks, markets, churches, and unemployment offices throughout the area in the intensified effort to get all voters registered according to Frances Crassi, chairman of the drive.

The Lomita headquarters is sponsored by the County Democratic Committee. It is a non-partisan registration headquarters, however, and members of both major parties are urged to register.

Cancer Booklet Now Available To the Public

A revised version of a 68-page booklet prepared by the American Cancer Society for use in high school health courses has been received here by the Society's Los Angeles County Branch, it was announced today by John N. Langfitt, District 8 Cancer Crusade chairman.

He said the Society plans for the first time to distribute the booklet to the general public. Formerly it was available only for classroom use.

Called "Youth Looks at Cancer," the publication contains 20 illustrations and charts. Eighteen earlier editions have been studied by an estimated 3,300,000 pupils during the past 20 years.

Free copies are available from the L.A. County Branch of the American Cancer Society at 804 E. Manchester Blvd., Inglewood, Langfitt announced.
