Hospital. Vokt was the driver of an auto in which he and three companions were injured last weekend in a collision with a tree near the Compton Blvd., Main St. intersection.

A 16-year-old Torrance youth was booked Monday on suspicion of grand theft auto after the car which he was driving struck another auto and knocked it against a discount department at 501 Arlington Ave. Jesse Gonzales, 25, of Maywood, was injured slightly when his vehicle was knocked against the store.

The youth was arrested after Tony Soto, Jr., 2572 W. 235th St., arrived at the scene and claimed he owns the car driven by the youth.

SEVEN persons were injured Monday afternoon in a three car crash at Western Ave. and Artesia Blvd. None of the injured was serious.

Highway patrol officers identified the drivers as Kathleen Cuttrell, 19, of Hermosa Beach; Robert Davis, 19, a sailor stationed aboard the USS Matthews; and Gladys Kahler, 37, of Los Angeles.

Also injured in the crash were Patricia Davis, 18, of Los Angeles; Richard Davis, 3 months; William Marshall, 20, a sailor stationed aboard the USS Kersearge; and Carol Marshall, 19, of Harbor City.

All were treated at Harbor General Hospital and released.

Despite the large number of children, Torrance school costs per child have consistently been among the lowest in the county, he reports.

THE DELEGATION got the added support of E. T. Telford, assistant State highway engineer, who assured Hahn before yesterday's meeting that he concurred that the San Diego Freeway should be constructed between Jefferson Blvd. and 174th St. at the earliest possible date.

Telford reported that the right of way had been secured, the plans virtually completed, and said construction could go forward as soon as funds are budgeted.
