

# County Drive in Full Swing as Registration Deadline Nears

"Unless Los Angeles citizens go out and register at once, over a half million of them will be unable to vote," according to Richard Richards, State Senator who is Co-Chairman of the Los Angeles County non-partisan Voter Registration Drive. Senator Richards expressed concern over the lag in registration activity locally as he discussed the problem of all the non-registered localities within the next few days with Deputy Co-Chairmen of the Registration drive, decorative 21 years-old Camille Cannon and Wendy Howard.

The girls, who with Richards and Mayor Poulson have been working to spur registration work throughout the county, voiced a reminder to all citizens to "register now! Be sure you're registered by September 15th so you can exercise your franchise and participate in the selection of the next President of the United States."

"THERE IS still time to register," Senator Richards said. "Registration will be open until next Thursday, September 15, and deputy registrars will be stationed at many supermarkets, municipal buildings, unemployment offices, and other convenient locations throughout the country."

The registrar of Voters at MAdison 8-9211, extension 4211, or any local City Hall will also furnish the address of the nearest deputy registrar.

REGISTRATION DRIVE . . . As the deadline for registration as a voter nears, Senator Richard Richards, chairman of the county non-partisan voter registration drive, reminds residents that they should not neglect registration. Lending a helping hand are Wendy Howard and Camille Cannon. The girls are 21 years old, Wendy is a Democrat and Camille is a Republican.

dents of the state who have been in California 54 days prior to November 8th to vote for President and Vice-president have been made possible by the new California State legislation. To take advantage of the new law, newcomers should contact the Registrar of Voters at MA 8-9211.

CITIZENS who failed to vote in the 1958 elections, who have moved, changed their name, wish to change their political affiliation, are newly naturalized citizens, or who have just reached the age of 21 must register again. The group of Registration leaders reminded, "only a few days remain for all un-registered citizens to sign up to insure their franchise on Nov. 8."
