

# Fall Dance for Harvey Alum. Employees Set

Harvey Aluminum is making plans for the employees Fall Dance to be held at the Rodgers Young Auditorium on Sept. 24. Because of the huge success of the Spring Dance, they will once again take over the entire Auditorium of three ballrooms and four cocktail lounges with music for dancing by the famous Jerry Gray's Orchestra, the Dixieland Firehouse 5 + 2, Aaron Gonzales Latin rhythms.

As an added feature, The Royal Polynesians, currently at the Polynesian Restaurant, will entertain during dance intermissions with music from the island. All of this makes for an evening of continuous music without a break. Admission is free to all employees and their families.

# Scout Radio Program in 21st Year

Boy Scouting's own radio show begins its 21st year on KFI this month.

The "Scout Jamboree of the Air" will be heard every Thursday from 7:05 p.m. to 7:30 p.m. on KFI, with Clem Glass as master of ceremonies.

Each week an Eagle Scout will be featured as "Scout of the Week" or "Citizen of the Week."

Each week, a topic of interest to Scouters and the general public will be discussed by several Scouts.

Bob Mitchell will again direct the Mitchell Boys, who are all members of Los Angeles Area Council Scout Troop 800, in popular and Scouting songs. The choir has earned an international reputation by singing its way through Europe twice, and has performed for Princess Grace and Prince Rainier of Monaco, and for Pope Pius XII and Pope John XXIII.

# 101 to Graduate From Northrop

Bachelor of Science degrees will be presented to 101 graduating Seniors Friday evening at 7:30, Sept. 23rd when Commencement Exercises for the summer class of 1960 will be held by the Northrop Institute of Technology at the Institute of Aerospace Science Building.

Commencement speaker will be Kenneth L. Holderman, professor of Engineering and Coordinator of Commonwealth Campuses of Pennsylvania State University, whose topic will be "Engineering is Judgement."

John K. Northrop, chairman of the Board of Trustees of the Inglewood engineering college, will also deliver a short talk. Diplomas will be presented by President James L. McKinley of Northrop Institute of Technology.

Graduating with the highest scholastic record in the senior class is William G. Baker, of 2166 Gaucho Drive, Rolling Hills, who will receive a Bachelor of Science degree in Aeronautical Engineering.

# Births
