

Warriors Fly to Oregon For JC Opener Saturday

El Camino Given Nod Over Owls

Despite last week's ego-shattering 14-14 tie with the Alumni, El Camino's footballers are a pre-game favorite to beat the Owls of Oregon Tech when the two schools renew a one-year rivalry at Klamath Falls, Ore., Saturday night.

With the breakaway speed of Jim Valmore and Dave Anderson and the deadly pitching arm of quarterback Ron Veres in the backfield, the local junior college gridders are slight choices over the team they dumped 21-6 here last season.

BUT OREGON has 14 returning lettermen from a league championship season, including two ball-carrying 9.8 sprinters.

Led by speedy halfback Dick Ho, a transfer from Hawaii, the Owls are expected to balance an elusive running attack with plenty of passes.

And it was just this combination which proved to be the varsity's downfall last week as they stumbled before 2500 fans to the Alumni, 14-14, at Murock Stadium.

After taking a commanding 14-0 lead at the intermission, the Warriors could do literally nothing as they watched the school's footballing grads march back on the strength of quarterback Bobby Beathard's accurate flipper.

Beathard passed to end Jerry Hren for the Alum's second TD in the 4th quarter after Dick Tiberio put the grads on the scoreboard in the third quarter with a two-yard plunge.

Ed Schoolcraft booted the two extra points.

THE FINAL game-tying tally was set up on a 16-yard aerial from Beathard to end Tom Brown as the oldtimers proved once again that experience pays off.

For the Warriors, Valmore was the offensive sparkplug, gaining more than 100 yards on seven carries. The all-clip scooter from Leuzinger High in Lawndale, scored the first TD of the night when he swept left end for 81 yards early in the game.

Defensive halfback Lou Rizzo tallied the second TD, running back an intercepted pass 27 yards in the second quarter. Joe Montgomery ran the conversion for the two points.

Copping the lineman of the game honors was Wayne Atkins, while Beathard was named the outstanding back.

ALL EIGHT of the conference's colleges are scheduled in non-conference games this week, with Joe Berry's Harbor Seahawks tiffing San Bernardino tonight.

Friday's games bring together San Diego at Glendale, Santa Monica at Ventura, East L.A. at Pierce JC, and Valley at San Francisco City College.

Saturday it will be Long Beach at Cerritos, Pasadena at defending conference champion Bakersfield — which won its 15th in a row last week, 37-6 over Oakland — and El Camino at Oregon Tech.

Major League Ice Hockey Rumored for LA

Ice hockey is the only major league sport not currently present in Los Angeles, but it may not be long in coming.

Hockey, major league variety, is much in the news as the Toronto Maple Leafs and the Boston Bruins gird for their pair of pre-season games in the beautiful Los Angeles Sports Arena on Tuesday evening, Sept. 20, and Thursday night, Sept. 22.

IT WILL mark the first time that two major league hockey clubs have met in the Southland, and it is another indication that the National Hockey League is thinking seriously of expanding to the Pacific Coast.

The famed Maple Leafs were runners-up to Montreal in the Stanley Cup playoffs. Boston, after a fast start, tailed off a little and just missed the playoffs.

Both clubs are loaded with

NINE RETURNEES . . . To El Camino football squad will head the list of players making the trip to Klamath Falls, Oregon, this weekend as Warriors open 1960 season against Oregon Tech. Heading the delegation is 1959 "Athlete of the Year" Don Veres, quarterback (71); halfback Dave Anderson (21), end Martin Bumstead (29), halfback Paul Burbey (58), fullback Tom Chalakee (40), tackle Don Brunner (66), guard Dave Fisher (64), tackle Bob O'Neil (81) and guard Joe Costanza.

NEW LOOK SPARTANS FAVORED

South Grids in Grudge Match with Dominguez

They say that time heals all wounds, but South High's "grown up" footballers will be given a chance to jump the gun and settle a few old scores tomorrow night when the Spartans host Dominguez (Compton), an old Crescent League nemesis, in the season inaugural at Torrance High.

And South promises that things will be much different from 1957 when the two teams line up for the opening kickoff at 8 p.m.

Dominguez, the old Crescent power, smashed South's first football team 56-0 that year, and followed up with a 33-7 victory the following season. This year the Dons have five returning starters from last year.

The schools didn't play when the league disbanded last year. South entered the Pioneer League and Dominguez joined the Coast League as South fielded its first team with seniors.

Now in the Bay league, the Spartans are gunning for their first opening game victory in the school's four seasons and are rated a slight favorite to do so.

Coach David Tollefson's club — which has abandoned its familiar multiple-offense for the Wing-T series — will field a starting combination composed of seven juniors and four seniors on the offensive eleven.

Veteran three-year letterman Joe Austin will direct the team from his quarterback post, while all-Pioneer League back Bob Wehrhan — who'll be one of the top ball carriers in the new Bay conference this season if he stays healthy — gives the Green and White a potent and varied offense.

Fullback Harvey Siegel and halfback Danny Appel round out the backfield quartet.

"We're going to be throwing quite a bit," Coach Tollefson predicted as he noted Austin's fine pitching arm and excellent targets in ends Mike Andrews — the only senior on the line — and Tom Stanley.

Other starting "first-nighters" are tackles Jay McBride and Dave Fulford, guards Rocky Manning and Roger Harold, and center Dave Birmingham.

Odds Favor Loyola by Three TDs Over Bishop Montgomery Friday

New head coach George Gaunder's first California football team will be a three touchdown underdog when his Bishop Montgomery Knights collide with Loyola High's power-running single-wing attack at 8 p.m. Friday night at Bishop Montgomery's stadium in Torrance.

Loyola is gunning for its first opening football game triumph in 12 years and based on the Cubs' scrimmage showing against El Segundo recently — the odds aren't exaggerated.

Bishop Montgomery — which won only two games last year but has its first senior class this season — will field a starting eleven composed of nine seniors and two juniors.

Field general in the Knights' split-T offense is 190-pound quarterback John Clark, who has a couple of "very capable" halfbacks — Dick Moore and Dick Corwin — and fullback Bob Early to hand-off to.

A big question mark for tomorrow night is tentative starting tackle Louis Markert (215),

who is awaiting a doctor's diagnosis of an internal injury not received from football.

Coach Gaunder is a newcomer to California high school football — having spent all of his coaching career in the Midwest.

His offense is based mainly on running, and QB Clark isn't expected to do much throwing against the Cubs in the opener.

Tentative starting line-up: RE — Forrest Hunt RT — Louis Markert RG — Joe Rutherford C — Bob Bruce LG — Bill O'Connell LT — Hevrey Faurholt LE — George Cannady QB — John Clark HB — Dick Moore HB — Dick Corwin FB — Bob Early

50 Lapper Tops Ascot Big Car Race Program

A 50-lap Pacific Coast Championship main event — which is certain to lure the top drivers and equipment in the big car western circuit — will top an all-action program Saturday night at Ascot Stadium.

The 50-lapper will undoubtedly decide the 1960 driver championship. At present Denny Davis of Phoenix has a slight lead, but Northridge's one-arm phantom, the amazing Allen Heath, is right on his tail and a victory here could decide the final standings.

Heath's seven consecutive main-event victories is one of the best efforts ever recorded at Ascot.

Time trials start at 7:30 with the first race going at 8:30 p.m.

Late Deer Prospects Good in California
Deer hunting prospects for the late season, which open Saturday, Sept. 24, are rated good by the California Department of Fish and Game, but the agency warned hunters to be particularly careful afield because of the high fire hazard throughout California.
Bag limit throughout most of the late season is one buck. The season concludes November 6.
The early deer season, now moving into its last week, will end Sept. 25.
