Georgina Tennant Speaks Here Saturday

Speaker From London Here For Lecture

How spiritual understanding of God can solve problems of daily life, including fear, disease and sin, will be the topic of a free lecture on Christian Science to be given here Saturday, Oct. 22, at 12 noon, by Georgina Tennant of London.

Mrs. Tennant, a member of The Christian Science Board of Lectureship, will speak in the church edifice, 218th St. and Manual Ave. under the auspices of First Church of Christ, Scientist. Her subject will be "Christian Science: Its Great Practical Message," and the lecture is open to the public.

Mrs. Tennant has lived in many parts of the world, including Great Britain, India, Australia, and the United States. She has been a Christian Science practitioner since 1938, with her offices in London. From 1947 to 1950 she was Second Reader of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts. Her work as a Christian Science lecturer continues her extensive travels throughout the world.

KENNETH I. ERICKSON, son of Mr. and Mrs. Carl E. Erickson of 21820 Moneta St., Torrance, graduated from recruit training Sept. 30 at the Naval Training Center, San Diego.

FREEWAY FOR FREIGHT

Every day an average of 725 freight trains roll over Southern Pacific's 14,900-mile rail network in 11 Western and Southwestern states. They carry a daily average of nearly 300,000 tons of things produced, needed and used by people and industry. The ride is swift and smooth on a wide-open steel "freeway"—maintained at our expense, not the taxpayers'. No doubt about it, trains are the lowest-cost, most efficient form of transportation for carrying freight overland.

SEE-WAY FOR PEOPLE

What better way to take in the glamorama of our West and Southwest than through the big, wide-angle picture windows of an S. P. streamliner. Twenty-five running every day, on our east-west routes and on the Coast. Curl up in your comfortable Chair Car seat or Pullman room and watch the show go by... mountains, valleys, lakes, forests, shoreline, desert, cities. Relaxed surroundings for dining or refreshments, and polite, attentive service everywhere on board.
