We believe that home improvements are worth no more than the cost of materials and labor, plus normal selling profit. That's why our prices on Open and Screened-in Patios are the lowest anywhere! But don't take our word for it. We encourage you to shop around... get estimates and compare. Our savings, according to customers, are around 50%; much more in some cases. If you already have an estimate from another company and are ready for a price that's sensible and realistic, pick up the phone right now. We have no gifts, no gimmicks, no gags. Just the finest home improvements for the money in town.
