HERE'S HOW THE '61 FORD--THE CAR WITH THE WARRANTY OF 12,000 MILES OR ONE FULL YEAR--TAKES CARE OF ITSELF

Lubricates itself--You'll normally go 30,000 miles without a chassis lubrication.  
 Cleans its own oil--You'll go 4,000 miles between oil changes with Ford's Full-Flow oil filter.  
 Adjusts its own brakes--New Truck Size brakes adjust themselves automatically for the life of the lining.  
 Guards its own muffler--Ford mufflers are double-wrapped and aluminized--normally will last three times as long as ordinary mufflers.  
 Protects its own body--All vital underbody parts are specially processed to resist rust and corrosion, even by galvanizing the body panels beneath the doors.  
 Takes care of its own finish--New Diamond Lustre Finish never needs wax.  
 Warranty--Ask your Ford Dealer to show you his newly extended warranty of 12,000 miles or one full year, whichever comes first.

Deposit five minutes of your time with us, and we'll show you a car that will save you more money in more ways than you would have ever dreamed possible.

Your interest mounts from the moment we quote Galaxie's traditionally low Ford price... which includes more luxury features than you would expect to get in a car anywhere near the Ford price.

Your interest compounds as we show you how the Galaxie can save you hundreds of dollars in running costs... because it's beautifully built to take care of itself!

Your passport to pleasure is a visit with us... yours to see and drive the 1961 Galaxie.
