Cardinal's Party Set For Dec. 11

Invitations are in the mail this week to patrons, patronesses and co-sponsoring organizations for the Cardinal's Christmas Party for Children to be held in the Beverly Hilton International Room Sunday, Dec. 11, 2 p.m.

The delightful event is the only party each year personally sponsored by His Eminence James Francis Cardinal McIntyre. His guests of honor are tiny tots from orphanages, nurseries and Catholic foster homes.

Proceeds provide a happier Christmas for thousands of Southland children and adults through the Cardinal's Christmas Giving Program through parishes of the Archdiocese.

It is through the generosity and good auspices of patrons, patronesses and co-sponsoring organizations that the party's full purpose is achieved—that of providing funds for the Cardinal's Christmas Giving Program.

Last year 13,294 children and adults throughout Los Angeles, Orange, Santa Barbara and Ventura counties received Christmas assistance as a result of the party. Contributions of patrons, co-sponsoring organizations and those attending the party amounted to \$27,151.

Contributions may be sent to the Cardinal's Christmas Party, 855 S. Figueroa St., Los Angeles 17. Donors will be acknowledged in the party program.

"RESPONSIBLE VOTING NEEDED IN CONGRESS"

...Tom Coffee

Tom Coffee is the Republican candidate for the 17th Congressional District. A father of four, Tom Coffee is a graduate of the University of South Carolina and the University of Southern California. As an electrical engineer he has experience in Southern California's problems in power, water and space age. He is a veteran with 2 1/2 years combat service in the Far East.

For nearly 18 years, voters in the 17th Congressional District have been represented by a man whose voting record must be considered irresponsible. The spendthrift voting record of this man—Cecil R. King—can be summed up in the words of Harry Hopkins—"Tax, Tax, Spend, Spend" to get elected.

Here are a few examples of King's inflationary voting record from only the last two sessions of Congress.

- | | |
|------------------|--|
| Voted Yes | (1) To raise interest rates on G. I. housing. |
| | (2) To raise the national debt. |
| | (3) To postpone interest on British loans. |
| Voted No | (1) To return to California 25 per cent of Federal cigarette taxes which were to be used for school construction. |
| | (2) To exercise stronger controls over the Tennessee Valley Authority (TVA) financing, and for faster repayment of the TVA debt. |
| | (3) To eliminate four flood control projects (outside of California) considered unnecessary by the Army's Corps of Engineers. |

These examples are but a few. It's been 18 years of taxing, 18 years of spending. The only tax deferment he has voted for is for large manufacturing firms investing overseas. He is endorsed by the leftwing California Democratic Council.

AFTER 18 YEARS OF IRRESPONSIBLE AND SPENDTHRIFT VOTING IT'S TIME TO CHANGE TO TOM COFFEE for moderate voting. He will cast his vote in the interest of the 17th District instead of "One World" interests. Coffee will vote for reduced spending, and assistance to the wage of earner in the form of tax reduction.
