PRACTICING GOOD EATING . . . Members of Mrs. Marguerite Ronsberg's first and second grade class at Jefferson School, Torrance, are learning about good diet and foods as part of their health studies. To climax their studies, they ate a breakfast of cereal, toast, milk, and orange juice prepared by room mothers. Enjoying the breakfast were Debbie Ann Nardone, Terry Miller, and Mrs. Ronsberg.

Sohner to Tour 46th District Area Saturday

Instead of 76 trombones it will be the assorted honks of that many horns, give or take a few, rousing the citizens of the 46th Assembly District on Saturday when the Democratic Sports Car Caravan makes its rounds to give folks an opportunity to see and hear Charles P. Sohner, candidate for the State Assembly.

The caravan will leave Inglewood Headquarters, 409 East Manchester Blvd., at 10 a.m., heading for the Westchester Headquarters, 9115 Sepulveda, where they are due by 10:30. Leaving Westchester at 11 a.m., the group moves on to the foot of Pier Avenue in Hermosa Beach, arriving at 11:40. At 1 p.m., following a break for lunch, it is scheduled to pull out of Hermosa, and pull into Redondo Beach Park at 1:30. The cavalcade will leave Redondo Beach Park at 2 p.m., arriving at Harbor Heights Shopping Center, Western Avenue at 2:30, San Pedro, at 2:30. This is the last scheduled stop, and after a rally there, the survivors and their vehicles will head for home.

Sohner will give a brief talk at all stopping points and discuss local issues with individual listeners. As part of the Caravan, a hand-picked group of "Kennedy Girls" will add beauty and charm to the occasion, and the musical department will be handled by the Pacific Dixieland Jazz Band.

The total body of parading cars is expected to grow constantly, as additional ones will be picked up at each reception. In charge of the Caravan is Ronald Davidson of Inglewood, who will be assisted in all operational details by Jack Mitchell of Rolling Hills Estates, George Stevens of Hermosa Beach and Ernest Pollok of Hollywood Riviera.

Warhoop in All-American Class Again

All-American honors for excellence in college news presentation have just been awarded to the Warhoop of El Camino College for the 14th consecutive semester, Merl F. Sloan, director of student personnel announced.

One of three weekly junior college newspapers across the nation to win the top award of the Associated Collegiate Press, the Warhoop grossed a total of 3652 points to lead its field in evaluations of spring semester publications.

"YOU CONTINUE to set the pace for college journalism with a combination of top-notch creativity and plenty of hard work," judges advised the college journalism staff.

Other comments lauding the college weekly were "Your features reflect the creative aggressiveness of your staff," "You are most professional at news-writing," and "Your photo work is superb!"

Evaluating sports coverage, judges noted, "You certainly touch all bases — and then some. You make sports news come alive."

EDITORIALS were also cited by judges, whose headquarters are established on the campus of the University of Minnesota.

Student commissioner of publications during the semester covered in the rating was Miss Verne Christofferson of Torrance, while Miss Carolyn Perko, Manhattan Beach, served as editor-in-chief.
