INDUSTRIAL ART? ... What appears to be a base for a statue or cluster of steamship stacks is in fact a plaster mold section for the engine area of the B-70 Valkyrie trijet bomber. North American Aviation specialists working on the mold are Emmett O'Connell, left, of 15613 Faysmith Ave., and Mickey Savoia, 20109 Pruitt Drive, Torrance.

How To Beat The High Cost Of Home Improvements
Compare prices and save up to 50%!

We believe that home improvements are worth more than the cost of materials and labor, plus normal selling profit. That's why our prices on Open and Screened-in Patios are the lowest anywhere! But don't take our word for it. We encourage you to shop around... get estimates and compare. Our savings, according to customers, are around 50%; much more in some cases. Call us only after you've checked other prices. You'll find that our regular everyday prices are even below most of the "special sale prices" now being advertised. If you already have an estimate from another company and are ready for a price that's sensible and realistic, pick up the phone right now. We have no gifts, no gimmicks, no gags. Just the finest home improvements for the money in town.
