### Sisterhood To Sponsor Production

A Yale Puppeteers production, presented under the auspices of the Temple Menorah Sisterhood, will include a puppet show "Ali Baba," as the first portion of the program. The production will be presented at the Aviation High school on Nov. 19 at 8:30 p.m.

The Yale Puppeteers will be remembered in this area as co-founders of the Turnabout Theatre and the entire program is under the direction of Harry Burnett, master puppeteer responsible for all the "puppet spectaculars" at Turnabout. Burnett has created more than 1000 puppets, has three major motion picture films to his credit, has worked on the Shirley Temple TV shows and is now engaged in a new TV series.

He also has more than 200 students of puppetry under his instruction in this area.

Ali Baba is the Yale Puppeteers newest "tongue in cheek" production. Lines, lyrics and music by Forman Brown who has been associated with this group during their operative years.
