City Bus Lines
Soon to Offer
Free Transfers

A free transfer service for patrons of the Torrance Municipal Bus Lines will be inaugurated on Sunday, Nov. 27, it was announced here yesterday by Marshall Chamberlain, superintendent of the lines.
The bus fare rate will be 20 cents with free transfer within the inner zone, he said.
Passengers may transfer at any connecting point in a general direction away from the line of issue. The new service is part of the improved bus service recently approved by the city council, he said.
Other changes recently include the addition of three new buses: a Southwood-Southwest route No. 5; an alternate line serving the Hollywood Riviera section; and increased service to El Camino College. These lines will begin operation on Monday, Nov. 28, Chamberlain said.
The free transfer program announced yesterday will permit local bus patrons to travel to surrounding areas at no cost above the base fare of 20 cents, the superintendent said.
