**RAY SOUTHWSTONE**  
Coaches Team to 2nd Conference title in three years.

El Camino's Metropolitan Conference dual meet championship cross country team is favored to win the annual all-conference meet Friday at 3 p.m. on the UCLA course.

Rich Fernandez, star El Camino harrier, paced the El Camo to an impressive 15-44 win over San Diego J.C. at Balboa Park in the border city recently.

A new Balboa record was set by Fernandez, who covered the hilly two and seven-tenths mile course in 14m. 50.5s.

The Warriors won the conference title with an unscathed 6-0 record. Bakersfield finished runner-up while Santa Monica, Long Beach and Valley College shared third place. East L.A. finished in the basement.

Coach Ray Southstone's distance men won their second Metro title in three years.

## Austin-Winslow Passing Duel Top Feature of South Homecoming Tilt

The expected passing duel between South High's Joe Austin and Inglewood's heralded Troy Winslow should in itself be worth the price of admission tomorrow night when the two Bay League quarterbacks meet head on in season football finale for both schools. South's first Homecoming alumni will be rooting the Spartans on to a third straight triumph and a third successive win by Torrance schools over Inglewood this season.

**KICKOFF IS** at 8 p.m. at North High School.

Inglewood, once rated the Bay League's strongest team but forced to settle for no better than a second place finish after losing two of six league starts, is tabbed as a nine point favorite.

South has a 3-3-1 season record, and is 2-3-1 against the Bay League.

Inglewood seems to have hit its stride, routing past three straight foes. Largely due to Winslow's gifted right passing arm, the Sentinel's own the distinction of being the only Bay team to have beaten co-league leading Hawthorne, 28 to 14.

But Inglewood will have Joe Austin, Bob Wehrhan and Mike Andrews and Co. to contend with Friday, plus a two-game jinx losing string to local schools.

Torrance High and North scored successive 19-6 wins over the Sents in the early weeks of the season.

#### Two B Linemen Block Punts, Score TDs For South Grids

Two South High B football linemen had just about every lineman's dreams ring true last week in a 21-0 win over Leuzinger.

Bob Petronski not only blocked two punts, but scooped them up and returned them a total of 70 yards, one 30 yards for a touchdown.

The first blocked punt set up the team's winning score in the second period.

Church Smith also got in the act and blocked a Leuzinger punt in the second quarter. Smith picked up the loose pigskin and rambled 40 yards to a touchdown to make it a perfect day for the defensive unit.

**AND THE** Austin to Andrews passing combination could be as deadly a pair-up as the league has to offer.

Andrews has pulled in 23 passes good for 388 yards, well over half of South's total passing yardage. Austin has a 57 per cent completion record, hitting receivers on 47 of 84 attempts for 571 yards. And Joe's been rushed pretty hard by enemy linemen too.

South could end the season above the .500 percentage mark by upsetting Inglewood, which undoubtedly has the most potent passing threat in the league in Winslow.

Troy, a junior, was second string all-Bay League as a sophomore last season. His favorite targets are ends Mike Riley and Bob Kaiser, and halfback Dave Kuri.

Coach Bill Peters' Sentinels need a win to finish half a game out of first place in the final Bay standings.

Inglewood has a tough forward wall, anchored by all-CIF tackle Larry Krause (6'5", 225).

South's versatile backfield workhorses Wehrhan, Austin and full back Harvey Siegel will have their work cut out for them.

WEHRHAN has averaged 5.4 yards a carry on 38 tries while Siegel has carried 62 times for

268 yards, an average of 4.2 yards a crack.

Wehrhan has also been on the receiving end of six passes for 65 yards and has thrown six completions in eight attempts for 115 more yards. In addition, he's the team's best linebacker.
