Safeway Knows How TO AGE BEEF
 25 Years Experience
 That's Safeway's Record! A quarter of a century's experience in aging fine beef. Only top quality U.S.D.A. Choice beef is carefully aged in Safeway's big aging plants to bring out the exquisite flavor and tenderness in the beef. But this experience was not acquired in a week, a month, or a year. It is the result of years of experience by meat experts. So it's true today, just as it has been throughout the years.
