High Schools to Hold Sessions About Colleges

Parents of all Torrance high school students, 10th, 11th, and 12th grades, are cordially invited to attend an Education Advisement Night which will be held in the Torrance High School Auditorium, 7:30 p.m., Jan. 10.

The three high schools in Torrance are sponsoring this activity in one evening meeting to obtain the representatives from as many colleges and technical training institutions as possible. The representatives will discuss college entrance requirements, course offerings, campus life, and other important considerations for parents who plan to send their students on to school.

A large group meeting will begin promptly in the Auditorium at 7:30 p.m. followed by smaller group meetings with the college representatives from 7:45 to 9:30 p.m. Refreshments will be served from 9:30 to 10:00 p.m.

Dr. Carl Ahee, Torrance High School principal, will welcome parents and introduce the college representatives. The theme of the evening will be "Focus on the Future."
