

Guest Minister Speaks Sunday

Dr. Julian Keiser, minister of Christian Social Action of the Christian Congregational Conference of Southern California and the Southwest, will preach the morning sermon, in the absence of Rev. William Shatz. Harry Dice will serve as liturgist.

Rev. Schatz will be attending the Pilot Workshop in Lysle, N.Y. The workshop is the Pilot project of a nationwide program to develop and renew leaders in Christian Education. This is a joint project of the Evangelical and Reformed and the Christian Congregational Churches in the United Church of Christ.

Worship service is at 10 a.m. and Sunday School at 9 a.m.

Philadelphia Educator to Speak Sunday

Dr. Gilbert L. Guffin, president of the Eastern Baptist Theological Seminary of Philadelphia, will deliver the sermon at the Calvary Baptist Church, 2818 Manhattan Beach Blvd., Sunday morning at 8:30 and 11.

The religious educator is making a brief tour of Southern California where a large number of graduates of the institutions which he represents are in pastorates, Christian education, and executive positions in the Baptist denomination.

H. Earl Kuester, pastor at Calvary Baptist, was graduated from the Eastern Baptist Seminary in 1947.

Al Van Selow, minister of Christian education and youth, will be in charge of the 7 p.m. "Youth Night" services Sunday. Dennis Hill and Roy Bain will assist him in the sermon entitled "Dry Bones," which is based on a text from Ezekiel. The Calvary Chords youth choir will sing.

One ragweed plant can pollute the air with from five to eight billion grains of pollen.

Lomita Church Raises Budget By 10 Per Cent

The Narbonne Avenue Baptist Church of Lomita adopted their 1961 church budget that calls for a 10 per cent increase over the amount raised in 1960. This coming Sunday is Pledge Day.

Every member of the church is urged to make a pledge to the church budget and Sunday School pupils are invited to pledge a weekly amount to finance the church program.

A PROPOSAL is being studied to finance an addition to the buildings of the church. The proposed building will provide space for nearly 400 in Sunday School and would house the church offices. The office is so arranged that it could be used for classroom space at a later date. It would be known as the Children's

Building and would care for those up to 10.

The church is in the midst of its annual Bible Study Week. All ages are included in this popular event that takes place during January each year.

THE PASTOR, Robert A. Wells has announced two series of sermons to begin on Jan. 29. The a.m. messages will be on "The Greatest Events in the Life of Christ."

"This series will begin with the temptations of Jesus and end on Easter Sunday with his resurrection," Mr. Wells stated. The evening message will be of particular interest to young people. It will be on "Love, Marriage, and the Home." Sunday evening Jan. 29, the message will be on "The 'Dear' Hunt."

HOW DOES CHRISTIAN SCIENCE HEAL?

You have heard about Christian Science, but how much do you actually know about it?

Here is your opportunity to gain first-hand information about this religion which has brought countless people not only consolation and hope, but healing—dominion over sickness as well as sin.

Your neighbors who are Christian Scientists cordially invite you to a Christian Science lecture. These lectures are free, no collection is taken, and you will not obligate yourself in any way by attending. They last one hour, and are given by members of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts.
