

OTTO ZEIGHENHAGEN  
... Public Lecture

### Science Lecture Scheduled Here Next Saturday

The present availability of divine help and healing will be brought out in a free public lecture on Christian Science to be delivered Saturday afternoon by Otto G. Zeigenhagen of Chicago.

Zeigenhagen, who is on tour as a member of the Christian Science Board of Lectureship, will speak in Dapplegray school auditorium under the auspices of First Church of Christ, Scientist of Palos Verdes Estates, at 3 p.m. His subject will be "Christian Science Reveals God as 'A Very Present Help'."

A Christian Science teacher and practitioner, Mr. Zeigenhagen is a native of Chicago. He was an actor on the stage and radio at one time, and also taught platform art and literary interpretation. In 1942 he withdrew from these activities to enter the full-time practice of Christian Science.

### ... Water

(Continued from Page 1)  
ies in the Central and West Basins in Los Angeles County should adopt a program to reduce pumping from the underground, take water deliveries from MWD pipelines when possible, especially during the winter, using underground supplies during the summer when needed," he said.

"This will permit the underground basins to be replenished by a combination of reduced pumping and spreading of water," he said.

### New Scoring Mark Set in Cage League

A new scoring mark was established by the Foods Co. basketball team in the Recreation Department's Industrial League here Tuesday night when they scored 122 points in a regulation game to beat the AirResearch Knights who could garner only 53 points.

Bill Schwartz led the victors with a 28-point scoring jag, edging out Murray Levin who scored 21 points during the game.

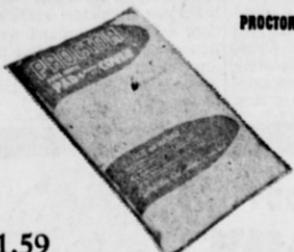

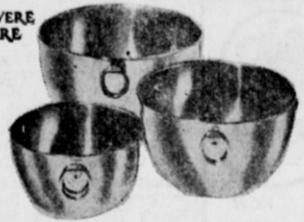

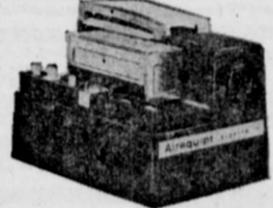

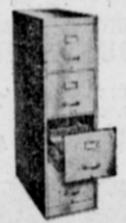

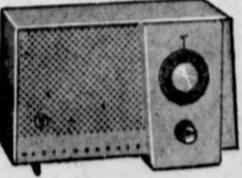

The city leagues play 10-minute quarters with the clock running straight through the period without time-outs, adding to the feat, according to Elmer "Red" Moon, athletic director for the city.

### School Employees To Install Newly Elected Officers

Newly elected officers of the California School Employees Assn. will be installed Saturday evening at the North High school cafeteria. The following school employees will serve for the ensuing year: President, Henry S. Weaver, Jr.; Vice President, Clifford S. McKown; Secretary, Dorothea A. Johnson; Treasurer, Ludwig E. Marjala; and Reported, Ethel Hiller.

The California School Employees Assn. is a statewide educational organization with the local Torrance Chapter No. 19 having been organized for about twelve years. The Association works to promote the efficiency and raise the standards of service of all classified school employees within the state of California.
