

Building of Modern New Temple Menorah to Begin Immediately

Construction of the new Temple Menorah of the South Bay will begin immediately, according to George Lewison, president of the congregation. "The plans for this structure have already won a national architect's award for our designer, Kenneth N. Lind, AIA," Lewison said, "and this building will be one of the most impressive and gracious of all the religious buildings in this area."

LOCATED ON the Redondo Beach-Torrance borderline on Sepulveda Blvd, and Knob Hill St., the new Temple Menorah will serve Jews in the Peninsula area as well as those in Torrance and the Beach cities. The congregation already numbers almost three hundred families in its membership, with a progressive religious school of that same number of students.

A sisterhood, men's club, two youth groups, and a senior sisterhood and young married's club comprise the affiliated organizations. The Temple is a member of the Union of American Hebrew Congregations, whose headquarters is in the House of Living Judaism, 838 Fifth Ave., New York City. RABBI Henri E. Front is the spiritual leader of Temple Menorah, coming to the congrega-

Marymount Date For Scholarship Test Announced

Marymount Palos Verdes will conduct its annual high school scholarship examinations for eighth grade public, private and parochial students on Saturday, Feb. 18, school officials announced yesterday.

The examinations will be held on campus at 30800 Palos Verdes Drive East, commencing at 12:30 p.m.

The Marymount scholarship awards will vary in value from \$400 to \$1200 depending upon the examination ranking of competing students. They entitle winning students to college preparatory training and extend over the full four years of high school provided the winners maintain satisfactory standing.

Eighth grade students who successfully have completed the standard school courses are eligible to compete, Marymount officials added. Each candidate must have the approval of the principal of her present school and parents who wish to send their daughters to Marymount are urged to contact their daughter's principal as soon as possible.

Parents wishing fuller information may instead apply directly to the Committee on Scholarships at Marymount Palos Verdes or phone the directors of examinations.

Local Firm Exhibits At Hardware Showing

tion following an overseas tour of duty with the Marine Corps. A graduate of the Hebrew Union College, the world's oldest rabbinical seminary, located in Cincinnati, he is presently on the faculty of its Los Angeles school, and has just been elected president of the South Bay Ministerial Assn. He also is a national chaplain of the Jewish War Veterans of the United States.

The Temple will undertake construction in time to honor its 14th anniversary, having been started on Jan. 24, 1947 by Anna and the late Isaac H. Grancell, with 15 other Jewish families from Hermosa and Redondo Beach.

Her contributions to this Fund have made it possible to construct a circular chapel, capable of seating 150 persons. This chapel, adding a tradition-

al note to the otherwise customary shape of the Temple, will be dome-shaped covered with sheets of copper or anodized aluminum. This chapel will be named the Grancell Chapel in honor of the founders.

FUNDS FOR this building were obtained through donations from the Temple members. Sale of a piece of land which had been bought also helped finance the cost of construction. The Torrance branch

of the Bank of America has given a construction loan to the Temple.

To be constructed at this time, according to Albert Levitt, chairman of the building committee, will be 10 religious school classrooms, a library, offices, social lounge, kitchen, and large social hall. This hall is actually a junior-high school-sized basketball court which will be used for dining and recreation purposes for the present, as well as for immediate worship services.
