

### Four Torrance Youths Tabbed For West Point

Eight young men of the 17th Congressional District, including four from Torrance, have been named to compete for two appointments to the 1961 class of the U.S. Military Academy at West Point.

Competing for one of the appointments to be made by Congressman Cecil R. King will be Phillip Bauer, 1681 Wilkie Ave., and John Shilling, 16126 Spinning Ave., and two Los Angeles boys.

Competing for the other appointment will be John Michael Orr, 5305 Lorna St., and Louis Arthur Martin, 4179 V 172nd St., along with a boy from Inglewood and one from Lennox.

The young men designated by Congressman King will be evaluated by appropriate academic boards to determine the order of admission.

### Board Asks State for More Money

A resolution seeking an additional \$1,120,000 in building funds from the state loan fund was passed by the Torrance Board of Education Tuesday night.

The money would be used to build classroom additions at Calle Mayor and Towers Elementary Schools and to buy the site and construct 17 classrooms and other facilities for the Ocean Ave. School, 238th and Ocean Ave., which will serve a huge new tract.

These funds will be in addition to \$849,000 in state loan funds which were allotted by the state last week for construction of other new classrooms at other schools.

These funds can be used only for new buildings and equipment, not for operating expenses. The recently-acquired Navy site also falls under the building budget.

In 1956, Torrance voters authorized the district to seek state loan funds to help it with its building program. Some 30 new plants have been built in Torrance since 1947.

### Board Starts Legal Moves, Vandals Pay

Threats of court action proved effective in collections for vandalism at Torrance schools, according to a report to the Board of Education Tuesday night.

After the board decided last fall to take action against parents of students found engaging in school vandalism, parents of all but one guilty student paid up. A court judgment was secured in the other case.

During the last quarter, vandalism and thefts cost the district \$490, according to the report. Damage was at 13 schools with broken windows and fire extinguishers most common. Most common thefts were of food and athletic equipment.

### Dynamic Living Group Names New Officers

The Dynamic Living Group has reorganized and now have other branches in Hawthorne and Long Beach.

The new officers for the Torrance group are Merritt Myers, president, and Mrs. Gertrude Shipley, vice president. Mrs. Myrtle Long is the secretary-treasurer.

For the next month the meetings will be held at the home of Mr. and Mrs. Warren Shipley, 1545 W. 216th St., each Thursday evening at 8 with Dr. James P. Pottinger giving the lecture.

Dr. Pottinger is a graduate of Ernest Holmes School of Religious Science in L. A. and conducts service in the Loyola Theatre in Westchester each Sunday morning at 11.

Interested persons are being invited to attend the meetings.

### Y-Teens Plan Sale

Einea Athenas, Y-Teen club of North Torrance, will hold a rummage sale at the Torrance YWCA on Saturday from a.m. until 2 p.m. Carol Bunda and Helen Fisher are co-chairmen of the sale.

# 2nd Big Week ... of LUCKY'S
