

TRAFFIC SAFETY . . . Joseph Kaplan of the National Safety Council (left) hears details from Pep Boys executives Murray Rosenfeld (right) and Robert Strauss of the ninth annual essay competition sponsored by that company in the interest of traffic safety. In the background is the Safety Council's current campaign theme, "no time for accidents." First prize in the contest is a four-year engineering scholarship to a state college or university, with all high school seniors eligible to compete.

Pep Boys Announce Ninth Annual Essay Contest on Traffic Safety

Pep Boys Auto Supply stores conducted annually," Rosenfeld stated, "to encourage young people to come forward with practical solutions to the increasingly urgent problems of automotive and traffic safety."

THE FINAL winner is determined by the excellence of his essay, scholastic standing, good citizenship, and college entrance examination. Judging of the essays will be done by representatives from the National Safety Council, California Highway Patrol, Institute of Transportation and Traffic Engineering of UCLA, and a Los Angeles Traffic Court Judge.

IN ADDITION to the scholarship, trophies and \$50 savings bonds will be awarded to the three students writing the best essays on "What I would do to prevent traffic accidents and save lives." "The essay competition is

Dr. Bergin Opens New Office Here

Dr. Philip S. Bergin, physician and surgeon of the eye, has selected Torrance for the city in which he wishes to practice and where he and his family will make their home. He has opened his offices at 17223 S. Crenshaw Blvd.

Dr. Bergin has been a resident of the Los Angeles area since boyhood and had his non-professional training at La Sierra College. During World War II he served as medical officer aboard a U.S. Maritime ship. He returned to his studies and received his B.A. degree from Pacific Union College. He graduated from Kansas City Osteopathic College in 1955 and took his Internship at Los Angeles County General Hospital.

Immediately following, Dr. Bergin embarked on a three-year preceptorship with a study and clinical program devoted exclusively to the eyes. Included in this program was a surgical residency at an eye hospital in India. He then worked with prominent ophthalmologists in Copenhagen and Cairo. His preceptorship completed in 1959 he brings the composite of these experiences to Torrance.

Dr. Bergin is a member of the California Osteopathic Assn. and is on the attending staff of the Los Angeles General Hospital, the Bay Cities Hospital in Hawthorne, and the Gardena Hospital. His laboratory is under the direction of C. Wayne Cole, optician, who has 22 years experience in the optical industry.

Dr. and Mrs. Bergin devote much of their leisure time to skiing and ballet and take advantage of the many water sports available to residents of Torrance.

Christian Science Radio Lecture Set

"Feed My Sheep" will be the subject of a Christian Science program to be given on CBS Radio "Church of the Air" series, in cooperation with the Christian Science Church on Sunday, Feb. 12, at 7:30 a.m. over Radio Station KNX.

Warriors Seek Rubber Against ELA Huskies

East Los Angeles College, a surprise contender in this year's Metro basketball race, will visit the El Camino College Warriors Friday at 8 p. m.

The Huskies have been in the thick of things right from the beginning of the season with a team that wasn't considered much better than average.

This will be a return engagement for the two teams. They have played two games against each other thus far, El Camino winning in the Sam Barry Tourney 88-71 and East L. A. taking a Metro Conference victory on the Huskies' home court, 90-80.

IN THE Huskies' Conference conquest over ECC, the hot shooting East L.A. squad put six men in double figures. The Warriors' big gun was center Ron Wey in his best scoring performance of the year, with 26.

El Camino's chances in Friday's game depends on the same Ron Wey. Ron has been out of action for the past week

with measles. His rebounding and work under the boards has been sorely missed.

LAST FRIDAY the Warriors traveled to Bakersfield to meet the league-leading Renegades in the opening game of the second round. In a game very unlike the teams' opening round double overtime thriller, Bakersfield ran over the Warriors, 88-50.

El Camino was never in con-

Beach CC earlier in the season, didn't help the situation for the Warriors going 0 for 8 from the floor and failing to make the scoring columns.

Landscaping Bids On Freeway

Bids for landscaping and installation of an irrigation system on the Harbor Freeway between 120th St. and 190th St. will be opened in Los Angeles March 9.

The landscaping will include 3300 trees, 15,300 shrubs, and more than a million ground cover plants. A total of \$393,000 has been allocated for the project.
