

TO SPEAK HERE . . . Ronald Reagan, motion picture and television star, will address members of the Palos Verdes Peninsula Club of Federated Republican Women at the Palos Verdes Country Club at 10 a.m. Tuesday, Feb. 28. He will be introduced by Mrs. Warren Parr, program chairman. Reagan's topic will be, "Encroaching Control."

Scout Trails

Boy Scout Troop 997
Arrangements are being completed by Scout Troop 997 to hold an Eagle Court of Honor on March 2, at Riviera School. The ceremony will be extraordinary in several ways. It will be the first Eagle Court of Honor to be held by Troop 997 which was chartered three years ago and is sponsored by the Hollywood Riviera Rotary Club. Three scouts have successfully completed the rigid Eagle Scout requirements and two additional candidates are scheduled to appear before the examining board prior to the March 2 ceremony.

In addition, Scoutmaster Don Emberson reports that awards will be given for Life, Star, First Class, Second Class and Tenderfoot, as well as numerous merit badge awards. Families and friends are invited to attend the planned ceremonies.

Air Explorer Squadron

John Reynolds and Nick Heflinger, members of Air Explorer Squadron 377A, sponsored by the Torrance Chamber of Commerce, were winners of a special drawing which enabled them to accompany the Squadron's flag which was flown by helicopter to the Lunada Bay School on Saturday where 375 scouts from Hollywood Riviera, Palos Verdes, and Portuguese Bend were camped in observance of National Boy Scout Week from Feb. 7 through Feb. 14. James W. Gavin, vice president of Mercury Helicopter Service, Inc., and a former Eagle Scout himself, flew the Air Explorers to the encampment in a Bell 47 G helicopter.

Air Explorer Squadron members Lee Larsen, Lloyd Lessor, Richard Coulter, Forrest Sedgwick, John Bereda, David Ledford, and Steve Addington assisted South Bay Scout Officials in conducting competitive events in Campercraft and scouting skills. South Bay Scouters are pleased with the new Air Explorer Squadron which has adopted an active program to observe, participate, and acquire knowledge in the field of Aviation. The Squadron members proudly refer to their unit as the "Eagle Squadron" because half of them have earned the coveted rank of Eagle Scout.

Squadron Advisor F. G. Sedgwick announced that the Squadron will attend the Los Angeles Area Council Explorer Ball Today at the Hollywood Paladium, and will participate with other Air Explorers to aid in the California Glider Competitions at Torrey Pines on the week-end of February 25. Additional plans are being formulated for week-end tours of Camp Pendleton Marine Base and Edwards Air Force Base.

Boys 14 years or older who would like to investigate the possibility of becoming an Air Explorer are invited to attend any Squadron meeting held on the second and fourth Monday from 7:30 to 9:30 p. m. at the Torrance Airport Manager's Office.

The importance of an adequate muffler system in an automobile can not be stressed too highly, according to the California Highway Patrol. Defective mufflers may cause carbon monoxide gas to enter the car causing drowsiness — frequently with tragic results.
