

NORTH HIGH FIVE WINS BERTH IN CIF

Meets Whittier Five in Opener

By RICHARD CLARRY

CIF contender North Torrance High continues to polish off her Bay League rivals while waiting for his first CIF elimination game with California High in Whittier next Tuesday night. In last Tuesday's game North increased her Bay League standings to 10-3 by beating fifth place Leuzinger 99-81 setting a new school scoring record.

With all the starting five hitting in the double figures North bounced to a healthy first quarter lead of 30-22. At the end of the first half North led 50-40. Leuzinger gave a do-or-die try in the third but they were just not strong enough. In the fourth quarter Sparky Davidson scored the points tying the old school record of 91 set last week and Rick Jacobs came on to carry them over the top.

TUESDAY'S record breaking game was the fourth time this season the hot dogs of North have topped their school high game score record. Sparked by Rick Jacobs' 23 tallies, Sam Edwards got hot and hit for 19. Record holder Jack Golphenee and Sparky Davidson banged away for 18 points each and Bob Mance brought up the rear with 11. North's scoring subs, Wright and Guerra scored 9 and 1 points respectively.

Leuzinger's hot shots were Robertson with 22 points, Newton and Fruchey with 18 tallies each, Manuel with 15, and Rhodes with 4.

THE SOUTHERN section of the 1961 CIF basketball playoffs is poised and ready as more than 80 high schools prepare for their first elimination games Feb. 28.

On the basis of their fine season records, Monrovia, Compton, Glendale and defending champions LB Poly have been given top-seeding in the "AAA" playoffs. However there are many other strong teams in Southern California.

North Torrance, the number two team in the Bay League, with a 10-3 record is scheduled to meet California the number one team in the San Gabriel Valley League, California, located in the Whittier area, has a perfect season record of 10-0.

CALIFORNIA scored a total of 761 points during the season while allowing 514 points

Torrance Racers Climbing Success Ladder on Ovals

Torrance seems to have a favorable atmosphere for the production of top quality race drivers.

Hailing from Torrance are such notables as Parnelli Jones who got his start in the Jalopies and has now graduated to a berth in the coming Indy "500" Miler.

Ed Grey of Torrance placed second in Sunday's 100-lap National USAC stock car main event at Ascot Stadium.

Another Torrance lad, Cliff Fagott, will be in the competition Sunday at Gardena's Western Speedway when the CJA Stock Cars take over the clay oval.

Fagott will be facing more

than 50 top stock car pilots in the nine-event program which begins at 2:30 p.m.

Among the competition will be "Wild" Bill Foster, San Fernando, who will be out for his third win of the season. Oldsmobile pilots Jim Cook of Norwalk and Arley Scanton of Compton are also formidable foes.

Violation of right-of-way in driving is second only to excessive speed as a major cause of traffic accidents in California, according to the California Highway Patrol. The most frequent violations occur at intersections without Traffic signals or stop signs.
