## Del Mar Opener Dragster Sets National Mark Advanced 1 Day

The opening of the 22nd summer season of thoroughbred racing at the Del Mar Turf Club has been moved up one day to July 25, allowing Del Mar to be "dark" on Sept. 5, which is the day following Labor Day.  
 Del Mar's traditional 42-day meeting, which closes on Sept. 12, will be on a six-day per week basis except for the Labor Day week when only five days of racing will be scheduled. There is no Sunday racing at the turf-surf course.

Long Beach's fireball dragster, Jack Chrisman, set a new national elapsed time record of 8.99 seconds in the second annual Winternational Championships Sunday at the Los Angeles County Fair drag strip.  
 Driving Howard Johansen's dual Chevy rail job, Chrisman reached speeds in excess of 170 m.p.h. in his record breaking runs.  
 With the Pomona honors under his belt, Chrisman will be competing against the cream of the eastern and middle-western dragsters Saturday and Sunday at the Lions Associated Drag Strip in Long Beach. Among the expected 400 entrants will be Ed Garlits of Tampa, Florida, who wheels a rig powered by a blown Chrysler engine.

Dairying is the largest single source of farm income in the United States, involving about one-fifth of our agricultural economy.
