## Jazz Groups to Play Friday

Associated students of El Camino College will present a special jazz concert featuring the Gateway Folk Singers and Buckner's Dixieland Combo, Friday at 8:15 p.m. in the Women's Gym.

The Gateway Singers have appeared at numerous universities and night spots throughout the country demonstrating their talent with frontier folk

songs, music from Korea, Israel, and the West Indies and Negro spirituals. The quartet includes one woman, Elmerlee Thomas, contralto vocalist, and three men, Ernie Shelton, senior guitarist; Travis Edmondson, bass, and Jerry Walter, banjoist and spokesman.

SHARING THE billing with the Gateway Singers is Teddy Buckner, Dixieland trumpeter-band leader. Before forming his own band in 1954, he joined forces with John Kirby, Lionel Hampton, Benny Carter and, later, Kid Ory.

With his sextet Buckner sped to fame with the rendition of "Just a Closer Walk with Thee." His group is comprised of Joe Darenbourg, clarinet and soprano-sax player; John Ewing, trombonist; Jesse Sailes, drummer; Arthur Edwards, bass, and Harvey Brooks, the group's composer and arranger.

Tickets for the event are available in the El Camino College Bookstore and are on sale in music shops within the college district. Admission will be \$1.50 for bleachers and \$2 for floor seats.

## Resident Pushes Petitions for Sanitary Sewers

Efforts to obtain enough signatures to begin proceedings on sanitary sewers in the Torrance oilfield area south of Sepulveda Blvd. between Crenshaw Blvd. and Walnut St., are being pushed this week by Samuel M. Barr, who resides at 2329 W. 230th St.

"We can never properly develop our property, nor enjoy our homes to the fullest extent until we can get rid of the cesspools which infest our area," Barr told the HERALD yesterday.
