

South Rises Again, Scores 5-4 Comeback Win Over Culver City

South's baseballers again waited until the final frames to pull a game out of the bag by scoring four runs in the fourth inning to beat Culver City 5-4 on the losers' diamond Tuesday evening. It was the fifth straight victory for the Spartans.

The Spartans scored one run in the first on a walk and a double while the host team strung together a walk, a bingle, and a ground-out to score.

Culver's Roy Straight slapped out a homer with a man aboard in the third to take a 3-1 lead going into the fourth. While Culver was able to add another run in the fourth, the Spartans reverted to the familiar go-go style of play for which they are becoming noted and sent four runs across the plate in the top of

the fifth frame. It was enough to carry them on to the win.

Joe Austin, the South's basketball ace, continued to pace the Spartan sluggers by collecting two for three, and increasing his batting average to an impressive .688.

Tartars Hold Off Threat To Beat Leuzinger, 6-5

The Torrance Tartars took a tense 6-5 win from Leuzinger Tuesday evening on the losers' diamond.

With the game all tied up going into the seventh, Rick Hood doubled while Irv Palica walked putting men on first and second. John Keith, who hit a homer in the first, moved Hood to third while a fielder's choice nabbed Palica in a force out at second. Now South had runners at first and third. Tartar pitcher Ybarra sacrificed to deep left field bringing in Hood who scored the winning run.

Swinging, slugging Steve Waters of the Tartars turned in an impressive average of three for three and four RBIs.

Leuzinger had a two run homer in the fifth by London.

According to Tartar coach Irwin Kaston, the boys from Leuzinger had him sweating in the bottom of the seventh

when Leuzinger managed to put two men on with no outs.

"Cambon picked up a Leuzinger bunt, eliminating the man on third which was the play that removed our worst threat."

'Spinning Boards,' New Surfing Film, Booked by Lifeguard Assn.

The first radical change in a surfing film will be seen in Bud Browne's "Spinning Boards" to be viewed at Pier Avenue Auditorium, Hermosa Beach, Thursday, Friday and Saturday nights, March 23, 24, and 25 at 8:30 p.m. To answer a plea for something different in a surfing movie, Browne is the first to break the bonds of conventionalism. To achieve a different technique of presentation, sound on film is used to bring audiences an entirely new concept of humor with professional talent for original, hilarious comedy.

CAREFUL editing of 22,000 ft. of color film has brought out the best performance rides in California and Hawaii so that the top surfers in each surfing area are featured. California plays a much bigger part than in past Bud Browne

films and includes surfing at Wind 'n Sea, Tamarack, Ocean-side, Trestle, Cotton Point, Dana Point, The Wedge, Huntington Beach, Topanga, Malibu, Zero Break, and Santa Cruz.

Performers include Dewey Weber, Phil Edwards, L. J. Richards, Mickey Munoz, Rennie Yates, Mike Haley, Linda Benson, John Fain, Mickey Dora, as well as Hens McClelland and Chubby Mitchell in prominent parts. Hawaiian surf includes the biggest rides of the year at Waimea Bay, (up to 25 ft.) Sunset Beach, and Makaha.

"Spinning Boards" brings thrilling new surf boating in Australia as well as the latest in hot dogging down under.

"Spinning Boards" is sponsored by the Los Angeles County Lifeguard Assn. Admission is \$1.25. Tickets are available at County Lifeguard Stations and at the door.
