NO MAN'S LAND . . . Jonathan Seidler, 4½, thought for a minute he had encountered a monster from outer space when he visited the opening of the fifth annual show of the Torrance Art Group at the city plunge. Actually the shapes are modernistic sculpture which will be displayed during the show from 1 p.m. to 5 p.m. Saturday and Sunday.

Area Junior Achievement Firms Selected for National Contest

Thirteen Southwest Los Angeles Junior Achievement companies have been selected to enter Junior Achievement's national industry award contest. The winners of the National contest will receive all-expense paid trips to the national Junior Achievers' Conference this summer. Plaques, certificates, and other honors will be given to other top companies.

Plea for Aid In Cancer Fund Drive Issued

Announcement of two Residential Crusade Chairmen for Torrance was recently made by Mrs. J. Russell Shea, District Residential Crusade Chairman for the American Cancer Society. Mrs. Shea has appointed Mrs. Lars A. Holt, 16838 Thornburgh to head the North Torrance Unit. Chairmen for the West Torrance Unit is Mrs. George Kurtz, 23004 Evalyn Ave.

In a plea for volunteers throughout the entire city of Torrance, Mrs. Holt and Mrs. Kurtz revealed that at least one half of all those who get cancer could be cured through early detection and proper treatment. "American Cancer Society could make this goal a reality if it had enough funds for the job," said Mrs. Holt.

"The American Cancer Society was mainly responsible," Mrs. Kurtz remarked, "for the dramatic rise in the cancer cure rate. Twenty years ago only one out of ten who developed cancer was saved; today it is one out of three. With adequate public support and personal action it could be one out of two."

Money raised in the crusade will be used to step up educational programs, and support research of scientists who are working for a cancer cure or preventive. Progress in cancer research is going ahead as fast as funds are available.

Anyone interested in working on the local April Crusade should contact Mrs. Holt or Mrs. Kurtz.

The local entries were selected by a special judging group from the Los Angeles Junior Chamber of Commerce. Criteria for local judging is the same as the yardsticks applied in the national selection and includes quality of product, management, production technique, sales and advertising.

The Southwest Los Angeles companies entered in the national contest are Bearwood, counseled by Hughes Aircraft; Cal-Glo, counseled by Standard Oil; Cal-Nov-Co, counseled by Norair; California Achievement Bank, counseled by United California Bank; Count Down, counseled by Mobil Oil; Chemco, counseled by Occidental Life; Elco Products, counseled by Harvill Corp.; Kandle Kids, counseled by McCulloch; Krafcoc, counseled by Pittsburgh Plate Glass; McJaco, counseled by McCulloch; Mos-Arts, counseled by Pacific Telephone & Telegraph; Plant-A-Log, counseled by Ryan Aeronautical, and Teen Electro, counseled by Hoffman Electronics.

The Children's Choir will combine with the Chancel Choir to sing "The Holy City," by Stephen Adams, under the direction of Mrs. C. L. Martin. Mrs. William Parker is the organist. Nursery care is provided during the service.

Palm Sunday Service Set

Palm Sunday will be celebrated on March 26 at Seaside Community Church, 230th and Ocean Ave., Torrance at the 10 a.m. service, when the confirmation class and new members will be received into membership of the church. Rev. William K. Schatz will have "A Faith to Confirm" as his sermon topic for the morning.

A confirmation banquet will be held in the evening by the Senior Youth Fellowship in honor of the new confirmations. Following the banquet the Rev. James Beyer, Presbyterian missionary to Brazil, will show slides and address the group.

Lesson-Sermon Theme Sunday About Reality

"Light is sown for the righteous, and gladness for the upright in heart." This affirmation from the Psalms (97:11) is the Golden Text of the Lesson-Sermon on "Reality" in all Christian Science churches on Sunday. The theme emphasized in the sermon will be the ever-availability of spiritual enlightenment. Scriptural selections include these verses from the prophet Isaiah, "The people that walked in darkness have seen a great light: they that dwell in the land of the shadow of death, upon them hath the light

shined." "For ye shall go out with joy, and be led forth with peace: the mountains and the hills shall break forth before you into singing, and all the trees of the field shall clap their hands." (9:2, 55:12) Mary Baker Eddy declares in "Science and Health with Key

MARCH 23, 1961

THE TORRANCE HERALD

to the Scriptures." "Truth and Love enlighten the understanding, in whose light shall we see light; and this illumination is reflected spiritually by all who walk in the light and turn away from a false material sense."

"The great spiritual fact of being, like rays of light, is in the darkness, though the darkness, comprehending them not, may deny their reality." (pp. 510, 546)
