

EDMUND R. GOSS Heads District Office

Thiokol Names Torrance Man For High Post

Appointment of Edmund R. Goss to manage the West Coast Rocket Operations District Office of Thiokol Chemical Corp. was announced Friday by Robert L. Marquardt, director of marketing, Thiokol Rocket Operations Center.

Goss will be responsible for marketing and technical liaison activities for a large number of Thiokol projects, including the first stage solid propellant rocket engine for all Air Force Minute man intercontinental ballistic missile and the liquid fueled engine for the X-15 space vehicle.

Goss formerly held executive positions in marketing and customer relations with Northrop Corporation and Boeing Airplane Co.

He is a retired Air Force Colonel. His military experience included assignments as a combat pilot, and as Inspector General and Director of Plans and Operations for the USAF Air Defense Force.

The Silver Star, Distinguished Flying Cross with cluster, and the Air Medal with two clusters are among the decorations he was awarded.

With his wife and five children, Goss resides at 4409 Paseo de las Tortugas.

Realty Board Secretary at Area Session

Forest G. Beyrer, executive secretary of the Torrance-Lomita Board of Realtors, attended the Southern District meeting of the executive officers council of the California Real Estate Assn. in Pasadena recently.

He was among representatives from 45 communities in the area from Bakersfield to San Diego. The meetings were held to assist elected and voluntary executives of Boards of Realtors through workshops which gave important information and background on real estate problems.

Included in the Pasadena workshop was information on multiple listing policies and regulations; internal revenue tax policies and procedures; realty board promotion, membership and standards; and a report by the CREA executive vice president, H. Jackson Pontius, on important items coming up in California as well as a report on the recent National Assn. of Real Estate Board meeting.

The Pasadena Board of Realtors was the host for the meeting.

'Deeper Life' Revival Set For Lomita

Two weeks of "Deeper Life" revival meetings have been scheduled at the Lomita Christian Church, 25512 S. Walnut St., to begin next Sunday evening at 6, according to Joel Tivers, pastor of the church.

Mr. and Mrs. Clyde Freeman, well known Christian evangelists, will conduct the meetings during the following two weeks, utilizing Gospel magic including colored chalk drawings, scenes on felt, motion pictures and slides.

The guest speakers have spent years in the ministry as pastors and evangelists, and Mr. Freeman is a member of the International Brotherhood of Magicians as well.

Week day services will begin at 7 p.m. Pastor Rivers said, Mrs. Eva Mae Zillig will be pianist.
