THOMAS HUBBERT . . . Honored by Clubs

### Local Senior Wins Art Scholarship

The winner of the Torrance Woman's Club and the Torrance Junior Woman's Club art scholarship is Thomas Leo Hubbert, Torrance High School Senior, announces Mrs. D. G. De Hoog and Mrs. Richard Dorothy, art chairmen of the two clubs.

Thomas Hubbert's work was chosen from that of seven applicants by Mildred Walker and Donald Green, art instructors at El Camino college.

When asked why he wanted to be an artist, young Hubbert answered, "I want to be an historian of man, not as a camera sees him, but as a human sees him. I want to put on canvas the joy and sorrow of life as we know it."

He has studied art under Mr. Macary for three years at Torrance High School, and has also studied for one year at the Los Angeles Art Center. He is presently employed at the Art Gallery in Hermosa, and will enter Chouinard in Los Angeles this fall for four years of study. He then plans on some advanced work in Europe.

Thomas is the son of Mr. and Mrs. Leo G. Hubbert, 1733 W. 238th St., Torrance.

about our five-year-old son. He is so terribly destructive I don't know how to handle him.

He has punched holes in the plaster walls, torn up pieces of inlaid linoleum, broken three windows and demolished the TV set and radio. I am unable to take him into the home's friends or relatives because he breaks everything he gets his hands on. I can't take my eyes off him for a minute.

I've tried scolding, punishing and even hard spanking. Nothing works. What can I do?—WORN OUT

Dear Worn Out: This child should be taken to a specialist who deals with disturbed children. Your family doctor will direct you.

Are you tempted to smoke because the crowd does? If so, send for ANN LANDERS' booklet, "Teenage Smoking," enclosing with your request 20 cents in coin and a long, self-addressed, stamped envelope.
