

Armed Forces

Navy Lt. (jg) Richard E. Hill, son of Dr. and Mrs. L. R. Hill of 21 Sherry Lane, Rolling Hills, serving aboard the tank landing ship USS Jerome County operating out of San Diego, Calif., will take part in a large U.S. Pacific Fleet exercise during the Spring of 1961. Nicknamed "Green Light," the exercise will be conducted by the U.S. First Fleet, commanded by Vice Admiral C. L. Melson.

Army PFC Robert C. Guerra, whose wife, Virginia, lives at 2235 Del Amo Blvd., recently arrived in Korea and is now a member of the 2nd Engineer Group.

Guerra, an administrative supply specialist in the group's

Headquarters Company, entered the Army in April 1960 and received basic training at Fort Ord, Calif.

The 25-year-old soldier, son of Mr. and Mrs. Cruz Guerra, 4204 W. 161st, Lawndale, is a 1954 graduate of Torrance High School.

Floyd G. Kirtley, son of Mr. and Mrs. Glenn T. Kirtley of 23624 Susana Ave., was graduated from recruit training, March 17, at the Naval Training Center, San Diego.

Marine Pfc. Steven L. Cummins, son of Mr. and Mrs. Jack W. Cummins of 4 Chuckwagon Rd., Rolling Hills, is serving with the Third Marine Aircraft Wing at the El Toro

Marine Corps Air Station, Santa Ana.

Helicopters, jets and air transports of the wing provide support for infantrymen of the First Marine Division at nearby Camp Pendleton, Calif.

Donald L. Archibald, storekeeper second class, USN, son of Mr. and Mrs. L. C. Archibald of 5358 Doris Way, is one of the 163 Navy men who will "winter over," the bleak month of darkness, at the bottom of the world.

Men of the "wintering party" were at their stations as the summer season drew to a close, with the icebreakers leading the last of the cargo ships through the ice choked waters of McMurdo Sound.

Men of the Antarctica Support Activity will continue the work started in the summer season, until the long Antarctic night and sub-zero temperatures force them indoors. When mid-winter nears, the workload gets caught up and new tasks are undertaken.

For many, "The University of Antarctica" will provide a chance to undertake corre-

spondent courses and classes in natural sciences and the arts. This is one of many activities undertaken by the men of Operation Deep Freeze 61, awaiting the dawn of summer.

Army Pvt. Dwight B. Titus, son of Mr. and Mrs. Charles M. Titus, 4716 Mindora Dr., recently arrived in Germany and is now a member of the 11th Armored Cavalry Regiment.

Titus, a scout in Troop K of the regiment's 3d Reconnaissance Squadron in Regensburg, entered the Army last September and received basic training at Fort Ord, Calif.

The 23-year-old soldier is a 1956 graduate of Torrance High school.
