

## Glendale Federal Savings to Build Del Amo Center Office

Glendale Federal Savings and Loan Assn. will soon open a new office in Torrance, it was announced yesterday by Charles A. Wellman, president. Wellman said the new Glendale Federal office will be constructed in the Del Amo Shopping center area at 3832 Sepulveda, near the intersection of Hawthorne Ave. and Sepulveda Blvd. Exact for the move has not been set, but is expected

to occur this summer, he said. WELLMAN ALSO announced that Charles T. Cederlof, assistant vice president and manager of Glendale Federal's Lomita branch, will head the Del Amo office. He also said that following completion of the new Del Amo building the Lomita branch will be moved to the new site. The Del Amo office will of-

fer complete savings, loan and escrow services in addition to the latest in customer convenience and efficiency of operation, he stated. GLENDALE Federal is the nation's fifth largest federal savings and loan association, with assets of more than \$350,000,000. The association currently has 10 branches in the Greater Los

Angeles area, and has received approval from the Federal Home Loan Bank Board to open another in Canoga Park, Wellman reported.

We are mightily impressed with the effectiveness of the Torrance Herald. Last Thursday an article appeared in which the Torrance YMCA sought boats and helmsmen to handle an overflow crowd of boys for the Y's Sacramento Riverboat Trip next June.

By Friday evening, we had signed up eight boats and owners to make the trip with local teenagers and the "Y!" Even more exciting, the YMCA has received a beautiful 16 foot inboard motor boat as a gift from Mr. Paul Shinoda. Mr. Shinoda learned of our need from the HERALD.

Thanks loads for helping out kids through service to the Torrance YMCA.
