

THRIFTY PRIZES . . . Thrifty Drug Stores this week began a new prize-giveaway program to run through May 31st. The prize drawing, open to the public, costs nothing to enter, and will award over \$4000 in prizes to 15 lucky winners. Shown admiring prizes of Glasspar cabin cruiser, complete with American trailer and Evinrude motor, Sail-and-Paddleboards, and Hoffman Trans-Solar radios are (left to right) Manny Borun, vice-president of Thrifty Drug Stores, starlet Gere Craft and Bill Henry, Thrifty's director of store operations.

Thrifty Drug Stores Open \$4000 Give-Away Program

May 8th to May 31st will be busy days at Thrifty Drug Stores' 153 units when the huge drug chain offers over \$4,000 in prizes free to 15 lucky winners in its latest prize-giveaway program. No purchases are needed to enter the fabulous prize-giveaway program.

To participate in the prize awards one need only sign a Thrifty cast register receipt, or any slip of paper, with his name and address and deposit it in the prize drawing boxes prominently placed in every Thrifty Drug Store any time through May 31st.

MANNY BORUN, vice president of the California drug chain, announced the prizes would be a 17-foot Glasspar Cabin Cruiser boat, a 40 H.P. Evinrude Lark Motor, and an American Boat Trailer for the first prize winner.

Second through fifth prizes are to be the six-foot Gym Sail-and-Paddleboards, valued at over \$90 each. Sixth through fifteenth prizes would be the remarkable Hoffman "Trans-Solar" Radios, the portable radio that operates on power from the sun.

Drawings for the names of the 15 lucky winners will be held Friday, June 10th, and will be announced by June 25th.

tic choke, key-turn starting, Hi-Lift fuel pump and many other pace-setting features. The new Evinrude Lark is the finest performing outboard motor in its class.

To complete the first prize is a boat trailer built by American and designed especially for the Glasspar Seafair cabin cruiser. The American Boat Trailer provides the utmost ease in loading and launching.

THE SECOND through fifth prizes of the combination Sail and Paddleboard "Rocket Racers" are made by Gym Plastics Corp.

These delightful paddleboards, which are six feet in length, are made of solid plastic with a puncture-proof durable hull and are so light a child can carry. With its 2500 square inch professional type sail, they will tack and perform

with maximum efficiency and speed.

THE FABULOUS Hoffman "Trans-Solar" Radios that make up the sixth through 15th prizes operate on free power from the Sun. For nighttime or indoors, it plays on its own battery, has six transistors, a heavy magnet speaker and is small enough to fit pocket or purse. The remarkable Hoff-

man "Trans-Solar" Radio is manufactured by the makers of famous Hoffman Television, Hi-Fi and Stereo instruments. In commenting on the contest, Vice President Borun stated, "The new prize-giveaway is open to everyone and we encourage participants to enter as many times as they desire. Thrifty is pleased to be able to offer another exciting prize-giveaway and we hope the prizes will help the lucky winners to have a summer of enjoyable recreation."

Area Toastmaster Speakers To Compete in Annual Test

Six area winners selected from 42 clubs in the Los Angeles area will compete in the annual speech contest of Dis-

trict 50, Toastmasters International, Saturday night, May 21, in the Tower Restaurant, 4117 Overland, Culver City.

The contest will test ability of each Toastmaster contestant to organize and deliver an effective speech on short notice. Topics will be assigned eight hours before the speakers appear before a dinner program audience of 500 Toastmasters, wives and guests.

The six contestants are James Mangham, Los Angeles, Area 1; Knobby Watkins, Los Angeles, Area 2; Duncan Fife, Hollywood, Area 3; George Williams, Gardena, Area 5;

Dwight Black, Los Angeles, Area 6; Walter Stunkel, El Segundo, Area 7.

FEATURED SPEAKER at the dinner, which starts at 7:20 p.m., will be Charles M. Simmons, founder of the Simmons Institute, author of 12 books on human relations, leadership and effective speech, and author of a current best seller, "Your Subconscious Power." Simmons will speak on "Enthusiasm: Your Key to Personal Profit."

A special "Exchange of Ideas" Exhibit will be set up in the periphery of the auditorium and will be on display during the social hour, which starts at 6:30 o'clock. Each club in the area will display trophies, scrapbooks, banners, bulletins and posters used to "sell" the club. An engraved Toastmasters gavel will be awarded for the best exhibit.

DOUGLAS JOHNSON, Torrance, district educational lieutenant governor, is general chairman of the dinner program. The toastmaster will be Dwight Johnson, Playa del Rey,

CONTEST participants will be interested to know the 7-foot Glasspar Cabin Cruiser is the Seafair Sedan model. With two upholstered bunks forward, it is the ultimate in outdoor luxury. The deluxe cabin cruiser is built by Glasspar, the world's largest manufacturer of fiber glass boats.

Also included in the first prize is a deluxe 40 H.P. Evinrude Lark Motor, with automa-

immediate past governor of the district.

The annual business meeting and election of District 50 officers will take place at 9 a.m. Saturday, May 21, in the Morning-side Legion Hall, 3208 W. 85th St., Inglewood. District Governor Sam Hathorn of Los Angeles, will preside.

Nominated for new officers of the district are Douglas Johnson, governor; Arthur Lester, 18625 Yukon Ave., Torrance, educational lieutenant governor, and Ralph Tuchman, Burbank, administrative lieutenant governor. Lester is governor of Area 5 and Tuchman is the present governor of Area 3.

100% of our customers chose all-electric kitchens

MR. WARREN STURTEVANT, MEMBER OF THE STURTEVANT CORP., DEVELOPERS OF WESTCLIFF, NEWPORT BEACH, CALIFORNIA

"We gave buyers a choice of kitchens in our first two Westcliff subdivisions. There were 139 homes involved. Every single one went all-electric. The future is all-electric and our own customers have demonstrated unanimous preference for all-electric kitchens."

Every Medallion Home Guarantees You:

1. An all-electric kitchen with major appliances such as range and oven.
2. Housepower wiring to handle your modern electrical needs.
3. Light for living—that's both functional and decorative throughout your home.
