24 MONTHS TO PAY

WE GIVE YOU \$5 FOR 5 MINUTES behind the wheel of a Volvo

Sure there's a catch to it: There's a lot of talk—some of it true—about compact, economy and sports cars. We want you to compare VOLVO and make your own decision. All it takes is a five minute test drive. You'll see how VOLVO delivers the performance and whack of a sports car with the power of positive steering...you'll see how Swedish engineering excellence gives you precision construction...you'll see the \$454 worth of "extras" that you get at no extra cost. You'll go for VOLVO...and we're willing to pay \$5 to prove it. It's the best way to spend advertising money that we know. You can believe in VOLVO... your own hands, the seat of your own pants will tell you. We're betting on it!

Here's the gimmick: You have to drive another car first—a compact, or economy, or sports job—foreign or imported. Naturally. If you didn't you'd have nothing to compare. We want you to see how few "extras" the other cars give you, how full of big-talk they are, how mushy they are to handle, how pep-less their performance. Then you'll really appreciate a VOLVO.

You're under no obligation to buy... but you'll want to own a VOLVO after making the comparison. We're betting on that, too!

TAKE YOUR DOLLAR-A-MINUTE TEST DRIVE

*To test the VOLVO and qualify for your \$5, you must be 21 years old, and have a current California Operator's Permit. This offer is limited and may be discontinued without notice. Limit: one \$5 test drive per family.
