

Route of Youth Safety Run Told By Officer Jackson of Torrance

Traversing more than 900 miles of California highways and roads, lengthiest competition yet attempted in the event, 108 young car club members will compete June 27, 28 and 29 in the seventh annual Youth Safety Run of the Police Advisory Council for Car Clubs.

The route this year, using principally U. S. Highways 101 and 99, will be from Azusa to Sacramento and return. It's the first time the state capital has been a terminus, said Officer A. L. Jackson, Torrance P. D., route chairman.

UNQUESTIONABLY, this is shaping up as the finest run since the council was organized," said P.A.C.C.C. president, Sgt. Bob Thomas of the Lynwood Police Department. Community efforts to greet the caravan of young men are being organized all along the route.

Their stop at the state capitol will for many be a new experience. The lads will be overnight guests of Mather Air Force Base, just outside of Sacramento. The California State Police will conduct them on a tour of the Capitol and State Buildings during the one-day layover.

put your savings into dependable hands

There's no compromise with care when you save at California Bank. Every account gets personal supervision - from friendly, trained, banking people.

That's only one reason why you should save regularly at California Bank. Others: your savings grow fast - with interest added four times a year. Your savings are always readily available.

And at California Bank, you enjoy the convenience of every banking service - all under one roof. Open your savings account at California Bank. There's one near where you work or live.
