"GIRLS' CLUBS are also police-recognized. They abide by the same rules of conduct as the boys. To compete in the Safety Run is the year's big dream for hundreds of car club members. We think it is a wonderful thing, but see no reason girls' clubs can't be part of it."

"Girls can drive too, you know," Marilyn summarized.

TEMPORARILY, the petition will be tabled as plans for the upcoming run swiftly mature, said Sgt. Thomas. The cars are being painted, ready to move into impound at the Azusa National Guard Armory, and prepared for the pre-dawn start, June 27.

 New School Post

**Petrat Named To Personnel Office Here**

R. K. Petrat, principal of Steele Elementary School for the past five years, will become a Torrance Schools' personnel consultant on July 1, under action taken Tuesday night by the board of education.

The 34-year-old educator will deal with hiring and various problems of the personnel department, according to Director Robert HMorton. His successor at Steele this summer will be Vice Principal John Kassara.

A former Hermosa Beach teacher, Petrat has served in Torrance nine years, teaching at Perry and El Nido schools and serving as vice principal at El Nido. He was the first principal at Steele when it opened in 1955.

A Los Angeles native, he graduated from Washington High School and Pepperdine College. He has a master's degree from SC.

He is a Navy veteran and a member of the Sobada Dance Club and Torrance Optimists Club. He and his wife, Dorothy, live at 2942 Opal St. They have two sons, Steve and Bob.
