

## Hopes for Cultural Center In Area Revived by Group

Hopes for acquiring facilities to construct a proper setting in the area for the presentation of various art forms, including outdoor theater, exhibits, and a museum of history and art were revived here Sunday when sponsors of the Pacific Bowl Assn., Inc., met in the Torrance city hall to discuss plans and elect officers.

MISS ELYSE Aehle, who has guided the group during the past years, was re-elected to that post at the meeting.

Named vice presidents of the group were Judge John A. Shidler, Jan Darian, Daisy Odom Geery, and Charles Wortham. Mrs. Ethyl Burroughs will continue as honorary vice president; Edward E. Nelson as treasurer, and Howard L. Trimmer as secretary.

OPTIMISM over obtaining property in the area now under the control of the Housing Authority of Los Angeles

County was renewed when Miss Aehle reported that litigation had reached a point which was encouraging to the Pacific Bowl Assn. backers.

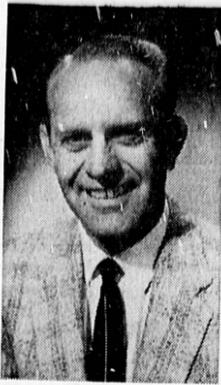

The group also voted to change the name to make it more inclusive of the various activities it hopes to encompass.

Members will suggest a new name for the group during the next few weeks.

## Outstanding Local Pianists to Play Benefit for Junior Blind

Members of the South Torrance Lions Club will present a duo-piano concert next Sunday afternoon at 2 at the home of Judge and Mrs. John A. Shidler, 317 Camino de las Colinas, in the Hollywood Ri-

COLETTE NANCE

vera. The concert proceeds will be used to purchase electric chord organs for the Foundation for the Junior Blind.

Two outstanding piano artists will perform during the afternoon, Lions Club officers report.

COLETTE NANCE and Dr. Philip Karr, both residents of the Riviera, have offered to perform at the benefit concert which will be presented to about 80 persons — the capacity of the Shidler facilities. Mrs. Nance has distinguished herself as a solo pianist, teacher, and lecturer on music. She is a graduate of the Julliard School of Music and has coached with such masters as Alexander Lambert, Paolo Gallico, Sigmund Stojowski, and Harry Kaufman. She has been well received in concert tours here and abroad.

DR. KARR, a mathematical physicist by profession, is a leading consultant in statistical physics and missile defense

with the Thompson-Ramo Wooldridge Corp.

In the field of music, he has performed as a piano soloist, accompanist, chamber music artist, dance orchestra leader and composer. Much of this activity has been professional. Recently he has been studying

DR. PHILIP KARR

with the famed pianist, Leah Effenbach.

Although the Shidler home is large, reservations will be necessary, officials of the sponsoring Lions Club report. Reservations must be made through the South Torrance Lions Club by contacting any of the members or by telephoning DA 6-1033.

William A. La Coe, fireman, USN, son of C. A. La Coe, 17031 Wilton Place, and Richard Cole, seaman apprentice, USN, son of Mr. and Mrs. Denton L. Cole of 22005 Anza, serving aboard the destroyer USS Lyman K. Swenson operating out of Mare

Island, Calif., took part in the Second Phase of Exercise "Green Light", April 21-27, off the Coast of Southern California.

This phase of the exercise involved aircraft carriers, cruisers, destroyers, submarines, auxiliary ships, and a variety of carrier and shore-based aircraft.
