Bishop Buehner To Speak Here This Week End

BISHOP CARL W. BUEHNER Here Over the Week End

Bishop Carl W. Buehner, the second counselor in the Presiding Bishopric of The Church of Jesus Christ of Latter-day Saints (Mormon) in Salt Lake City, will be the featured speaker Saturday and Sunday during a quarterly conference of the Church's Redondo Stake.

Conducting the conference will be Stake President Leslie Lloyd Prestwich, 2707 W. 182nd St., Torrance.

Sunday's general sessions, to which the public is invited, will be held at 9:30 a.m. and 2 p.m., 2000 W. Artesia, Torrance.

Bishop Buehner's family came to America from his birthplace in Germany when he was two years old. He became a building contractor, then a prominent executive in the field of building materials in Salt Lake City. He has served the Church as a missionary, bishop, stake president, and official in the Welfare program.

Saturday evening, a meeting will be held for priesthood leaders, and parents are invited to a session on family living and youth environment.

Gospel Quartet To Sing Sunday At Local Church

The outstanding Claiborne Brothers' Quartet will be singing Sunday evening at the Del Amo Baptist Church, 3708 Del Amo Blvd. The service begins at 7:30 p.m. and the public is invited to hear this group.

The quartet was formed in Los Angeles in 1951 where the four eldest sons of Rev. and Mrs. B.W. Claiborne, Brighton, Gifford, Gaylon, and Byron, began singing together in their father's church. After singing together for one year, they were separated by "Uncle Sam" for four years, but in September of 1956, they banded together again and began a broader ministry in many churches of all denominations in California and Arizona.

CALLS BEGAN coming in as the brothers' voices were heard over radio as well as over various TV stations. This led ultimately to a summer tour of the United States and Canada. In 1958 the quartet signed a contract with Cornerstone recordings and have recorded a number of Long Playing albums.

Recently twin Claiborne Gifford's gain, dropped out of the quartet to finish his education and get his engineer's license and this vacancy was filled by Harold Thain.

THE QUARTET will take charge of the entire service and Gifford, a Bible College graduate, will bring the message.
