## SAVINGS SPECTACULAR

"How can you sell so low?" many people ask. There are three reasons we are able to offer such bargains:

- VOLUME**  
By buying quality merchandise in huge quantities we are able to lower our unit cost — and pass the savings along to our customers.
- LOW MARK-UP**  
We operate on the theory that a minimum of profit on each item means more items will be sold, more customers will be made, and in the long run we will prosper.
- SATISFIED CUSTOMERS**  
Almost always, satisfied customers become steady customers. This is why we have grown so fast — and will continue to grow.
