**Gerber Meats for Baby**  
 Small wonder babies think they're wonderful! Gerber Strained Meats have the smoothest texture imaginable. That's because they have just enough broth to smooth the texture and bring out the best in the flavors. Nutritionally, they're rich in high quality meat protein; offer significant amounts of certain B-vitamins.

Only selected, inspected Armour\* cuts are used. Careful processing removes most of the fat for easy digestibility. Like all Gerber Baby Foods, the meats are prepared by specialists who are skilled in the whys and wherefores of infant nutrition.

\*Armour Meat Protein is complete protein, supplying all the essential amino acids that build and re-build vital body tissues.

P.S. All through processing, Gerber Meats and other baby foods are guarded every step of the way to preserve the utmost in nutritive values. Babies are our business . . . our only business!\*
