Bishop Opens Special Talks at Central Evangelical UB Church

Bishop Emeritus Ira D. Warner of the Evangelical United Brethren Church will speak tonight and Friday night at the Central Church, Marcelina and Arlington, in a special series of lectures on Paul's Epistle to the Romans. The service will begin at 7:30 each evening.

Tonight's subject will be "His Righteousness Provided," and Bishop Warner will speak on "His Righteousness Imparted" at the Friday evening service. He will show slides of his journeys to Africa during the service.

SUNDAY'S services have been scheduled for 11 a.m. and 7:30 p.m. with Bishop Warner's subject "His Righteousness Rejected" announced for the morning service, and "His Righteousness Radiated" at the evening service.

The Rev. Walter M. Stanton, minister of Central Church, will preside at the 11 a.m. Sunday service in honor of Mothers' Day. He will present corsages to the youngest, oddest, and the mother with the most children present — a traditional event at the church.

The church choir will sing appropriate music in honor of the day, and additional music will be presented by the children of choir members who will sing, "Nobody Knows But Mother."

Lutheran Day School Fall Registration Dates Listed

Pre-registration for Ascension Lutheran Day School classes from kindergarten through the fourth grades has been scheduled at the church school, 17910 Prairie Ave. for Friday, Saturday and Monday according to the Rev. Lloyd C. Warneke, pastor of the church.

Those parents wishing to enroll children in one of the grades for fall classes are being asked to participate in the pre-registration Friday from 7 to 9 p.m.; Saturday from 10 a.m. to noon; or on Monday from 7 to 9 p.m., the Rev. Mr. Warneke said. The early sign-ups are being requested to enable school officials to determine the needs for fall, he said.

A call has been issued for a principal teacher, who will assume full-time duties in the field of Christian education for the church school, as past for said, Mrs. Paul Kasten who taught the kindergarten class last year, has been retained for that position, it was reported.

Addition of the first four grades to the school's curriculum necessitates the employment of additional instructors, however, he said.

Church to Fete Mothers Sunday

"Queen Mother" is the title of the sermon Joel Rivers, minister of Lomita Christian Church, 25512 Walnut St., will be bringing at the Mother's Day Services, Sunday, Both the 8:30 and 11 a.m. services will honor the mothers in attendance.

Eva Mae Zillig, church pianist, is planning a flower remembrance that will be given to each mother in attendance. Mrs. Zillig stated, "We are planning to honor the ones that are so dear to all of us with something lovely; we know the mothers will long remember this day."

Sue Norvell, Elder's wife and a very capable musician, will be bringing an outstanding message in song. Mrs. Norvell sang recently at the Easter Friday Services with everyone pleased with her fine number. She sang recently at the Southern California camp banquet in Gardena. More and, more calls have been made of her since coming to Lomita.

Sunday evening is the church film night with the film, "The Creation" to be shown. This is the depicting of how God formed the world.

"We are looking for a good number of our friends to come and view this with us," said Al Sollars, one of the Elders of the congregation.

Spirit Subject For Sunday's Lesson-Sermon

"Mortals and Immortals" will be the subject of the Lesson-Sermon in all Christian Science churches on Sunday, The Golden Text is from Romans (8:19), "The earnest expectation of the creature waiteth for the manifestation of the sons of God."

The immortal status of the children of God will be emphasized throughout the sermon. Paul explains this immortal status in his epistle to the Romans, "For as many as are led by the Spirit of God, they are the sons of God. . . . The Spirit itself beareth witness with our spirit, that we are the children of God; And if children, then heirs; heirs of God, and joint-heirs with Christ" (8:14, 16, 17).

"Christ presents the indestructible man, whom Spirit creates, constitutes, and governs," declares Mary Baker Eddy in "Science and Health with Key to the Scriptures." In other passage she says, "Human capacity is slow to discern and to grasp God's creation and the divine power and presence which go with it, demonstrating its spiritual origin. Mortals can never know the infinite, until they throw off the old man and reach the spiritual image and likeness."
