### Torrance Man Receives New Post at Bank

Appointment of Paul D. Stack, 22904 Greenwood Ave., to assistant manager of Security First National Bank's 12th & Maple branch, has been announced.

A native of Manistique, Mich. Stack graduated from Notre Dame University with a bachelor of science degree in business administration.

Since joining Security Bank, he has worked in various capacities at several branches. He is a member of the Elks and the Notre Dame Alumni Ass., and attends Nativity Church in Torrance.

He and his wife, the former Mary Ann Burns of Norway, Mich., have six children: Jeffrey, 8; Sheryl, 7; Susan, 4; Denis, 2; John, 1; and Jane, 3 months.

### Polio Shots Scheduled At Penney's

Polio vaccine shots at \$1 each will be given in Torrance, Saturday, June 3, from 11 a.m. to 3 p.m., at the J. C. Penney Store, Del Amo Shopping Center, Hawthorne Blvd. and Carson St.

Sponsoring the community service event are members of Torrance Jr. Chamber of Commerce in cooperation with the March of Dimes.

Doug Hedde, chairman of the project, urged parents to protect children and themselves against paralytic polio before the high incidence season in late summer and early fall.

Last year children under 10 years of age accounted for 60 per cent of all paralytic polio cases in Los Angeles County, it was pointed out. Three properly spaced shots are needed for complete protection, with annual booster shots recommended.

March of Dimes officials declared that with the stepped-up inoculation program now underway, intervals between inoculations should be two weeks between the first two injections, with the third administered four weeks later.

They pointed out that the new oral Sabin vaccine will not be generally available in time to combat polio during the approaching polio season, but that there is no shortage of the effective Salk vaccine, developed through March of Dimes funds.
