Explorer Post 565X

Last March a new Explorer Post 565X with the specialties of boating, ham radio, and Indian lore was formed. Herbert Shattuck is the advisor and the following are associate advisors: Fred Bunch, Gary Rickard (Dance Team advisor), Norm Rickard, and Robert Tilley, Jr. The Post meets the second and fourth Wednesdays at Normandie Park.

The following men are serving on the committee: Ralph Allen, boating consultant; Ed Alves, committeemen; Leon Carpenter, institutional representative; Pete Corey, Indian lore consultant; Bob Grable, electronic and ham radio consultant; Vic Matulich, committeeman; Lee Polick, committee chairman; Bob Tilley, Sr., committeeman; and Joe Vincent, committeeman.

Members of the post are: Richard Alves, Leon Carpenter, president; Mike Corey, vice-president; David Harrison; Bill Polick, cabinet representative; Dan Rickard; Ken Shattuck, quartermaster; Bob Sullivan, cabinet representative; Jim Tilley, secretary; and Jeff Vincent, treasurer.

SINCE THE UNIT has been formed the boys have had the following activities: A father and son night at the Shady Acres Miniature Golf Club, a mother and son day in honor of Mother's Day (the boys and their mothers attended "Cinema Holiday" and a luncheon), a trip through Warner Brothers Studios to see sets and shooting of Maverick, 77 Sunset Strip and other Warner Brothers TV and motion picture productions, an Indian dance pow wow, two campsouts, a work party on their sailboat, and several Tuesday night sessions holding ham radio communications with various Explorer posts in the Los Angeles Area Council.

The following members of the group who attended the Order of the Arrow 12E Conference, April 20, received these awards: Danny Rickard, first place Oklahoma dancing 15 years of age and under; second place in judging of roaches; third place in judging of chokers; Gary Rickard placed second in Sioux style dancing 15 and over; and Ken Shattuck placed second in best costume all classes 15 years of age and under.

THE UNIT took a survey and came up with the following figures: eight of the group have attained the Eagle rank, 17 members of the group belong to the Order of the Arrow, an honorary society for Scouting Campers, and if the total numbers of years spent by the boys and men in Scouting were added together, it would come to approximately 150 years.

The boys are planning an Explorer "Excursion" to either Sequoia or Yosemite National Park for their 1961 summer activity. They have a long-range plan for their super-activity of 1962. The unit plans to take a "Good Will" tour of the Hawaiian Islands, visiting Scout camps where they will put on their Indian dancing exhibitions.

the Great Books speak to Today...

National Traits

"Sir," said Johnson, "two men of any other nation who are shown into a room together at a house where they are both visitors will immediately find some conversation. But two Englishmen will probably go each to a different window and remain in obstinate silence. Sir, we as yet do not enough understand the common rights of humanity."

—JAMES BOSWELL

A Frenchman is self-assured because he regards himself personally, both in mind and body, as irresistibly attractive to men and women... A Russian is self-assured just because he knows nothing and does not want to know anything, since he does not believe that anything can be known.

—LEO TOLSTOY
