

**TARTAR TEEN TALK**

By Carol Echols

Outstanding students in six fields were given recognition at a Fine Arts Awards banquet on Tuesday night, May 16. Recipients of the top awards received a certificate in addition to having their names engraved on a trophy which will remain at school.

Winners of these certificates are Jan Plantz, drama; Kathy Singleton, Journalism; John

Alter, band; Marilyn Holcomb, choir; Carol Porterfield, speech and debate; and Tom Hubbert, art.

TARTARS who were honored as the outstanding representative of the various fields were selected on the basis of ability, service and interest.

Another banquet was held on the evening of May 23, honoring GAA members. The theme was "Anchors Aweigh with GAA." The cafeteria was decorated in the atmosphere of an ocean liner.

MEDALS WERE given to Margaret Moore's first place basketball team, while Leda Davis and her second place

team received certificates of merit. The high point of the evening was the announcement of the Honor Award plaque winner who was Paula Blankenship.

Thursday was election day at Torrance High when once again student campaigning and excitement came to a climax. Leaders for our new student government for next fall were chosen from among ninety-nine qualified candidates.

SENIOR JOHN ORR is the first student ever selected from Torrance High to enter West Point. He will report for rigorous training on July 5 and will begin schooling in the fall. John had previously been awarded a state scholarship, was admitted to Carnegie Technical Institute, had a scholarship to USC, and was Torrance High's math selection for the Bank of America competition.
